Sub:- Revised designs of enclosure for Wild dog and White Tiger at Nagaland Zoological Park, Rangapahar, Nagaland - Reg.

Sir,

This is to inform you that the revised designs of enclosure for Wild dog and White Tiger at Nagaland Zoological Park, Rangapahar, Nagaland were placed before the 67th meeting of the Expert Group on Zoo Designing of Central Zoo Authority held on 09.03.2016.

(a) Revised design of enclosure for Wild dog:

The revised design of enclosure for Wild dog was approved subject to compliance with following conditions:

- Structural stability of moat wall may be got vetted by a Structural Engineer.
- Minimum height of fence should be 2.5 mts with overhang of barbed wire fence.
- No feeding station is required in fixed grill towards keeper's gallery.
- There should be proper drainage to take out water of the moat.

(b) Revised design of enclosure for White tiger:

The revised design of enclosure for White tiger was approved subject to compliance with following conditions:

- There should be no feeding stations provided in the fixed grill towards keeper's gallery. Food should be given through sliding gates and central cell.
- There should be proper drainage to take out water from the moat.

Keeping in view of the above, the revised design should be submitted along with compliance report for approval and signatures of this Authority.

Yours faithfully,

(Dr. D.N. Singh)
