DATE: 02.09.2014

To

The Principal Chief Conservator of Forests (WL)  
Government of Assam,  
Basistha,  
Guwahati – 29 (Assam).

**Sub: Proposed construction of enclosure for Lion tailed macaque, Bonnet macaque, Spectacled monkey, Assamese monkey, Pig tailed monkey and Common langur at Assam State Zoo, Guwahati.**

Sir,

Reference is invited to your letter No. WL/FG.41/Adopt/2004 dated 08.07.2014.

The proposed construction of enclosure for Lion tailed macaque, Bonnet macaque, Spectacled monkey, Assamese monkey, Pig tailed monkey and Common langur at Assam State Zoo, Guwahati were placed before the members of the Expert Group on Zoo Designing of the Central Zoo Authority in its meeting held on 11<sup>th</sup> August, 2014. After detailed deliberation enclosures were approved with the following suggestions:-

1. Tree branches should not be closer to 8 mts. from periphery fence in paddock to avoid any escape of animals.
2. Since all monkey enclosures are similar in design and topography is not understood, care should be taken to ensure that all enclosures are placed according to topography of the area.

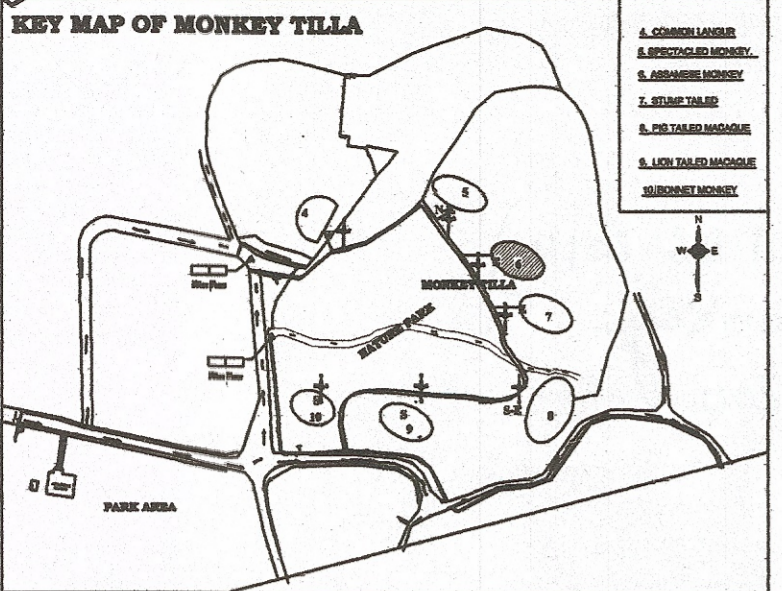

Yours faithfully,  
sd/-
