Sub:- Providing financial assistance to Zoos for carrying out enrichment activities in the existing animal enclosures as well as the enclosure proposed to be constructed.

Sir,

It has been decided by the Central Zoo Authority in its Technical Committee Meeting held on 23.1.2007 that the Authority may consider providing financial assistance to the zoos, who would like to carry out enrichment activities in the existing animal enclosure as well as enclosure proposed to be constructed.

Financial assistance to the zoos shall be released only after receiving the detailed proposal and their scrutiny by the Sub-committee on the Zoo Designing. The amount sought for carrying out the enrichment activity will not be a separate scheme and shall form part of the financial assistance released to the zoos under the head of the construction of the housing facility and their modernization.

Yours faithfully,
