

1. REPORT OF THE OF FICER-IN-CHARGE:-2019- 2020

It is fascinating to work in a Zoo, as Executive Director of Adumalleshwara Mini Zoo gives me at most satisfaction when the visitor appreciate your efforts.

For the past one year the Mini Zoo has seen tremendous transformation in erecting animal enclosures as per Central Zoo Authority guidelines.

People of Chitradurga are excited to know the arrival of Tiger in the Zoo by year end.

Central Zoo Authority has kind enough to accord approval for the master layout plan and animal enclosure. CZA had observed some shortcomings in the management of mini Zoo and had summoned Executive Director to their office to understand whether we are really serious in running the Zoo. The Member Secretary Central Zoo Authority after through scrutiny for 8 hours convinced about the commitment of the Adumalleshwara Mini Zoo management in running a healthy Zoo in the coming years. As Executive Director gave assurance to the MS CZA that the welfare of the caged animals are taken care with at most priority. The arrival of RFO as full time Curator is duty bound in following Central Zoo Authority guidelines in the management of the Zoo. He is responsible in arranging awareness programs for children and youths, encourage them to participate in the cleanliness program at Zoo.

Awareness programs were also organized for visitors to educate them about the behaviour with the animals.

The very location of the Adumalleshwara Zoo, inspire everyone to be part of conservation of wild life.

The new enclosures are being constructed to ensure they are truly merging with the surrounding landscape and greenery which has enhanced the true value of the enclosures.

The Member Secretary, Zoo Authority of Karnataka has taken keen interest in the development of Adumalleshwara Mini Zoo. His regular visits inspire the officers who are implementing the project.

The management of Adumalleshwara Mini Zoo is thank full to the Executed Director Bannerghatta Biological park, Bangalore & ED Mysore for providing financial support for the infrastructure development in Adumalleshwara Mini Zoo, we also thank Executed Director, Mysore for supporting with the valuable medicine required for the welfare of the animals.

We thank Member Secretary, Central Zoo Authority for having accorded approval for master layout plan and animal enclosures. We are great- full for the Member Secretary, Central Zoo Authority who have evinced faith in the management team Adumalleshwara Mini Zoo.

The construction of new 5 enclosures makes more attraction to visitors in 2019 and opened for public viewing, other infrastructure such as visitors path, service road, new chain link mesh for the boundary, entry plaza, redsizing children's play area, toilets and drinking water facilities are also provided to visitors.

We are committed for the well-being of the caged animals and create good environment for the visitors to make their visit to Adumalleshwara Mini Zoo a memorable.

2. HISTORY OF THE ZOO :-

Adumalleshwara Gudi Mini Zoo and Balavana in the limits of Chitradurga Forest Division is situated at a distance of 5 Km. south of Chitradurga town in Sy.No.26 of Chitradurga (Longitude: E – 76° 23' 648", N- 14° 23' 094") at an elevation of 787 mtrs. above mean sea level (MSL). Jogimatti Reserve Forest has been notified as Wildlife Sanctuary dated 23.12.2015. The Mini Zoo is an enclosure in the sanctuary, spread over an area of 8.5 ha. This mini zoo was opened and dedicated to public on: 12-04-1987. It is one of the 9 Zoos operating under Zoo Authority of Karnataka (ZAK) since 18.09.2017, recognised by CZA [Central Zoo Authority]. An advisory committee was constituted vide G.O.No.AHFF 91 FWL 88 Bangalore, dated: 04-08-1989 under the Chairmanship of Conservator of Forests, Bellary Circle, Bellary. Zoo is housing Leopards

3. VISION :-

The Mini Zoo was established with a vision to create an opportunity to the Public specially children to see wild animals in the closed proximity and to appreciate the wild life in their neighbourhood. Children's recreations area was also created to allow them to have fun in the Wilderness which is being remodelled as per the directions of Member Secretary ZAK.

MISSION :-

Mini Zoo is serving as exhibition of bio-diversity of the District, also serve as Wild Life Conservation Centre. To bring closure relationship between wild animals and human beings.

5. OBJECTIVE :-

- To create awareness about the Wildlife in the District as well as neighbouring districts.
- To serve as Education Centres for public as well as Children.
- To create awareness about Man-Animal Conflict.
- To educate & enlighten the public (visitors) by displaying wild animals that are equally important, interesting and essential for eco system and thus create empathy towards wild animals.
- To offer an excellent opportunity to the people to connect with Nature and Wildlife.
- To provide recreation facilities to the public.
- To provide an opportunity for the public to be part of zoo management by adopting animals at the zoo
