1. Introduction:

Deer Park, Neelon is situated on Chandigarh-Ludhiana Road at Village Neelon on the bank of Sirhind canal. Deer Park, Neelon is managed by the Department of Forest and Wildlife Preservation, Punjab. The Zoo Operator of the Deer Park, Neelon is Divisional Forest Officer, Wildlife Division, Phillaur. Range Officer (Wildlife), Ludhiana is the Incharge of this Mini Zoo.

2. History of the Zoo

Mini Zoo, Neelon derives its name from village Neelon (District Ludhiana) where this park is located. This Park was established in the year 1972-73 by the Department of Forest and Wildlife Preservation, Punjab. The curiosity to establish this park arose in the minds of local people as the area was having a unique serene beauty and dominated by compact forests. The area was also rich in resident birds population. The Sarpanch of Village Neelon and other local people approached District Collector, Ludhiana who further wrote to the Department to explore the possibility of setting up and park. Keeping in view the demands of local people and serene beauty of the area, compact forests of 8.679 hectare on the bank of old Sirhind canal near Village Neelon was chosen to developing as a Mini Zoo in a meeting of Chief Conservator of Forest, Punjab, District Forest Officer, Ludhiana and Chief Wildlife Warden, Punjab. The main idea was to keep few resident birds and one or two mammal species in otherwise spacious lawns to be developed for the local people and on way tourists.

3. Vision

(A) To maintain, present bio-diversity levels through all viable and effective means including, appropriate ex-situ conservation and breeding.

(B) Our vision the human values for protection and preservation of the fauna and flora of the world.

4. Mission

We shall strive to provide natural habitats for the animals housed by providing and manipulating suitable environment and spread the message of nature conservation by awareness and educational programmes.

5. Objective

The main objectives at the time of setting up of Deer Park, Neelon were :-

- To install a love for wildlife and its conservation and environmental awareness among rural people of the surrounding area.
- ii) To provide aesthetic environment to passersby and motivating them to get involved in environment and wildlife protection in their respective areas.
