## 1. Report of the Director (2019-20)

Marble Palace Zoo is the oldest Zoo in India. It is a heritage zoo that attracts the people of India and abroad to see and experience its high heritage and also to take the experience from it.

Marble Palace Zoo and Art Gallery is the top priority of the tourists visiting Kolkata.

The zoo is a private zoo which is now under the guidance and approval of the Central Zoo Authority. With the help of the Central Zoo Authority, the Marble Palace Zoo has been able to improve in its various factors and conditions for the benefit and wellbeing of the animals and birds.

The zoo is privately maintained, and it is a prized achievement of the house. In accordance to the Central Zoo Authority improvements has been brought. Since the zoo is within the heart of the city of Kolkata, people get the experience of the richness of the wildlife as purely as possible. Students' of various schools and colleges under many universities come to the zoo and are greatly enriched with the knowledge of the animals and birds.

## 2. History of the Zoo

Marble Palace Zoo is the pioneer of Zoos established in the year 1854 and it is the oldest zoo in India. It is situated in the middle of the city of Kolkata. Originally it was the zoo garden of the Marble Palace, but it was open to the public from the beginning.

The visitors of the Marble Palace Zoo visit both the Marble Palace Zoo and Marble Palace Art Gallery and Museum. Both are free of charge.

This heritage zoo has many heritage structures, cages, and enclosures. Some of them are nearly 200 years old.

The Authorities tried to keep them in its original form as much as possible.

The Founder of the Marble Palace Zoo, Raja Rajendro Mullick Bahadur has the idea and in his Trust Deed he mentioned that “the keeping of the birds and animals will be for the entertainment and education of the general public”. The public will come and see the birds and animals of this country as well as the world.

The exiled Nawab/Nawab of Audh Wajed Ali Shah, being the friend of the Founder Raja Rajendro Mullick brought some exotic birds including White Peacock for the Zoo and he also presented some animals and artifacts to him.

As the founder of the zoo had deep knowledge of Ornithology, the Antwerp Zoological Society of Belgium, made him the Honorary Member and advisor of the Antwerp Zoo permanently. Not only that, the far situated Melbourne Zoological Society also honored him by giving honorary diploma in Zoology. Being a great animal and bird lover, he requested the then, British Authorities to establish a zoo with a big area and The Alipore Zoological Garden which is the main Zoo of Kolkata started by the inspiration of him and his eldest son, Debendro Mullick. The first building, enclosure of Alipore Zoo was constructed and donated by him, “The Mullick House”. It was at the front of the Alipore Zoo, existed till 10 years back also, but now it has been demolished for a “new building cum enclosure for animals”.

## **Expenditure**

The Marble Palace Zoo is a private zoo and all the expenditures for the caretaking of the animals and birds are taken up and carried on by the Trust Fund.

As the Trust Estate of Raja Rajendro Mullick Bahadur & Sri Sri Jagannath Jew is conducting all the expenditures of the Zoo, Museum, Temple, daily feeding of 300 people and many philanthropic activities, no separate Zoo Account could be maintained.

In this regard we like to mention that there is no entry charge or any charge from the visitors, who visit both the Zoo and the Museum (Art Gallery) Palace.

## **Enclosures**

Since the animals are living in the enclosures, optimum amount of care and concerns are taken to the protection and well-being of the animals and birds. Cages and enclosure are so provided which provide with highest amount of wildlife feel in the city as per the direction of the Central Zoo Authority. Ducks and Pelicans are able to swim freely in the enclosed pond area.

## **New Births**

Marble Palace Zoo is of the highest opinion of breeding new life. For many decades the breeding procedures of animals and birds have been carried on. Till this day new babies of animals and birds are continuing in the zoo, which makes the zoo exceptionally proud.

Peafowl's, some mutated forms of Indian Ring Neck Parakeet, (White, Blue, Lutino etc.), Alexandrine Parakeet (mutated Lutino form), pheasants, Four Horn Antelope, Spotted Deer & Muntjac (Barking Deer) and some other animals and birds borned during 2019-20.

## **Visit of Educational Institutions**

The Marble Palace Zoo is greatly concerned about the proper care of animals, and it can be only done when people are made aware. So, the newer generations must be made aware and made understood about the livelihood and behaviour of animals and birds. Many eminent and renowned schools of Kolkata have visited the Zoo. Schools such as Loreto Day School Bowbazar, Carmel High School, Patha Bhavan, South Point etc, have visited and have been enriched with the knowledge of wildlife especially in captivity.

Other colleges under the Calcutta University have also visited the zoo and they still do the same.
