1. **Report of the Officer-in-charge:**

The Surulia Mini Zoo is a dynamic ex-situ nature conservation centre for the animals. This centre is built up to keep and breed wild animals / species earlier found in South West Bengal region (Jungle Mahal) for their ultimate release / re-introduce in the recently rejuvenated forests of Purulia district and to provide a safe abode to rescued wild animals, confiscated, injured, orphaned and sick animals from human habitation or miscreants.

During the past few years, the Zoo is receiving major improvements in the form of new and upgraded enclosures for Languor, Rhesus Macaques, Sloth Bears and Deer. Visitor friendly facilities such as new visitor path, beautiful lawns and landscaping have been put in place. For the betterment of the inmates, new Treatment room has been constructed. There is an informative Nature Interpretation Centre with dioramas of local fauna and tribal culture for children to interact in. A conference hall is present which is used to host wildlife film fests, quizzes and lecture sessions for the visitors.

New enclosures with night shelters and Kraal for Common Leopard, Striped Hyena and Indian Crested Porcupine have been built. Bilingual signages with distribution, habit and habitat, and conservation information of the animals have been installed. New residents like Sambar, Red Jungle Fowls have been acquired.

We would strive to achieve visitor satisfaction and will give priority to the coordination between the Zoo Staff and Officers so that there will be a good understanding between them. Our dream is to make this Zoo magnificent so that it can be made the centre of attraction to the inhabitants and the visitors to this region as well as a centre for education and awareness programme by offering exceptional public service and recreation.

Surulia Mini Zoo, Purulia

2. History of the Zoo:

Surulia Mini Zoo was established in 1998 as a Spotted Deer Rescue-cum-Captive Breeding Centre with an area of 1.5 Ha. It was recognized as Mini Zoo by the Central Zoo Authority vide letter no. F No. 22-71/2004-CZA (457) (M) dated 05.08.2005. The CZA granted recognition to this Centre for a period up to 31st December, 2015 (Annexure-IX).

The main objective of this Centre was to keep and breed wild animals / species earlier found in South West Bengal region (Jungle Mahal) for their ultimate release and re-introduction in the rejuvenated forests of Purulia district. Initially the centre had 25 numbers of animals belonging to different species in the open air or caged enclosures. Later, with the increase in the variety of species being housed, the inhabitants of Puruliatown and other parts of the district became interested to visit the centre to take glimpses of local wild animals and birds.

3. Vision of the Zoo:

Our vision is to develop the zoo to serve as a dynamic ex-situ nature conservation centre for the animals by preserving the indigenous bio-diversity of the region with intensive Scientific Zoo Management by trained staff and engaging in Research activities to develop the zoo as a centre of learning for people and making it self-sufficient to accomplish its objectives.

4. Mission of the Zoo:

Our mission is to develop this mini zoo as a centre of excellence for ex-situ conservation and education and awareness programme by offering exceptional public service, recreation, and to make the future generations to become active citizens in wildlife conservation through nature education and awareness programme.

5. Objectives:

Surulia Mini Zoo was established with a view to achieve the following objectives in conformity with the National Zoo Policy, 1998:

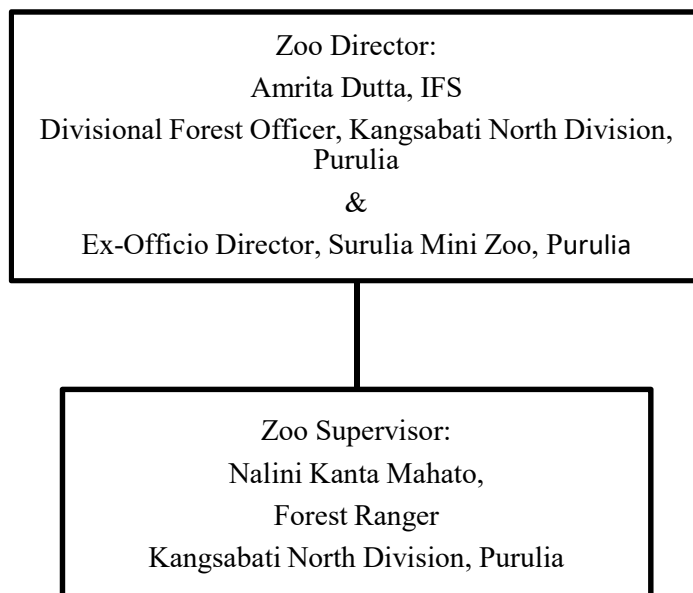

- To exhibit and display of wild animals in their naturalistic conditions
- To disseminate conservation education and spread awareness about wild animals and birds among general public especially youngsters
- To keep and breed wild animal, species earlier found in South West Bengal region (Jungle Mahal) for their release or re-introduction in the rejuvenated forests of the region
- To provide a safe abode to rescued wild animals, confiscated, injured orphaned and sick animals from human habitation or miscreants
- To promote research and education among school, college and university studentson the various aspects of ecology and behaviour of wild animals
- To maintain a gene pool of the wild animals and birds
- To instill among people a sense of belonging and caring attitude towards wildlife
