28. Compliance with conditions stipulated by the Central Zoo Authority

Sl No.	Norm No. under RZR, 2009	Condition Stipulated	Time Period to Comply	Since when pending	Status with regard to compliance of the conditions
1. General requirements					
1	1(5)	The fencing fixed al-round the perimeter of the Deer Park should be maintained properly. All the tree branches and climbers getting through the Chain link fence should be removed. Fencing should be of minimum 2 mts., height from ground on both sides.	Immediately		Complied

2	1(4) & 4(9)	Stand-off barrier as specified by the Central Zoo Authority should be provided all along visitors viewing area. The perimeter of the Deer Park excluding the visitors viewing area should be cordoned off to prevent movement of visitors, in order to avoid disturbance to animals at the Deer Park.	Two to three months		Complied
3	1(9)	Authorities of the Deer Park should remove domestic animals from the collection of the Deer Park.	Immediately		Complied
2. Development and Planning					
4	3(6)	Authorities of the Deer Park should Prepare animal collection plan along with Mater(layout) Plan and Master Plan and submit it for approval of the Central Zoo Authority.	Two months		Will be submitted soon.
5	3(7) & 6(3)	A Kraal of sufficient extent shall be constructed away from enclosures in the Deer Park for isolation of animals either for closer examination, treatment etc.	Three months		Complied
3. Animal housing, display of animals and animal enclosures					
6	4(2)	During evaluation, enclosure for Peafowl was observed not as per the dimensions and standards prescribed by the Central Zoo Authority. Authorities of the Deer Park should report the Central Zoo Authority on source of acquisition of species and permission obtained if any for this Schedule-I animal under Wildlife (Protection) Act, 1972. Meanwhile, the substrate of the enclosure for Peafowl should be free from stones with soft bedding to prevent damage to the feet as they are basically ground dwelling birds, Also, suitable perches and shelters should be provided.	One month		Complied
7	4(3)	All dead shrubs and foreign material in the enclosures posing threat of injury to animals should be removed.	Immediately		Complied
8	4(3)	Double door arrangement should be provided for entry and exit, to ensure safety of animals and prevent their escape while the animal keepers enter into the Deer Park.	One month		Will be complied soon after getting funds.
5. Upkeep and Healthcare of animals					
9	5(2)	Arrangement for regular inspection of the	Immediately		Complied

	& 5(3)	ungulates should be ensured. The local veterinary staff should be asked to inspect the animals feed etc. once in a week.			
10	5(5)	The solid waste should be collected once in a week and disposed off in such manner that it has no adverse impact on the hygiene and cleanliness of the zoo.	Immediately		Complied
11	5(2)	The Deer Park should adopt the feeding practices such as quantity, quality and feeding schedule as is being practiced in Zoo at Mysuru.	Immediately		Complied
12	5(2)	The Veterinarian should be asked to visit the Deer Park at regular intervals to assess the health and welfare of animals and to inspect the feed, feeding schedule etc.	Once in a Week		Complied. The Taluka Veterinary Officer inspecting the Jinke Vana once in a Week.
13	5(2)	The food and water samples should be got tested in good labs periodically for microbiological, toxicological and any other contaminants.	Once in a month		Complied. Food & water samples are regularly tested.
14	5(3)	Salt licks should be provided along with other fed as mineral supplements.	Immediately		Complied
15	5(8)	The fecal samples of animals should be collected and sent for examination to assess the parasitic load and to take up appropriate de-worming etc.	Once in a month		Complied
16	5(9)	Authorities of the Deer Park should make arrangement for medical check up of staff handling animals for screening against zoonotic disease, once in a six months.	Two months		Complied
17	5(10)	Authorities of the Deer Park should maintain detailed records of observations of biological and social behavior and health status of the animals including feed intake, medication and treatment provided in the Keeper's Diary, Daily reports, Animal History Cards and Treatment Cards, as per standards specified by the Central Zoo Authority. Separate hard sheet for Spotted deer and Blackbuck should be maintained.	Two months		Complied and all things are recorded.
6. Veterinary and infrastructure facilities					

18	6(3)	Post mortem room should be constructed at a distance from the Deer Park	Three months		Proposal has been submitted to the CCF Belagavi vide this office letter No.B2/WL/MP/2016-17 dtd.24-11-2016 & in turn the CCF Belagavi submitted the same to the PCCF Wildlife
----	------	---	--------------	--	---

					letter No.A10 / WL/ Sogal/Jinkevana/ 2016-17 dtd.3-12- 2016.
19	6(1) (b)	All emergency drugs should be made available near the Deer Park including lifesaving medicines. The advice of zoo vets of Zoo at Mysuru may be taken in this regard.	Immediately		Complied
7. Acquisition and breeding of animals.					
20	9(9)	The number of Ungulates is very much over and above the carrying capacity of the Deer Park. There are 24 Spotted deer, 5 Blackbucks and 3 Pea fowl in an area of about 5 acres. Terrain of the Deer Park being undulating with rocks and boulders, it does not suit species such as Blackbuck. Hence all Blackbucks in the collection as well as excess animals of other species should be shifted in consultation with the Chief Wildlife Warden of the State and the Central Zoo Authority, either to another recognized Zoo in the State or if found fit, may be released in Wild, after obtaining necessary permission, duly following the protocols prescribed by the international Union for Conservation of Nature and Natural Resources and the Central Zoo Authority.	Three months		Sand filling will be carried out. Excess spotted Deers will be released to Western Ghat Forest area in consultation with CCF Belagavi & Chief Wildlife Warden.
8. Visitors facilities					
21	12(2)	First aid facilities should be provided at the Deer Park.	Immediately		Complied
22	12(3)	Arrangement should be made for providing access to physically challenged persons for viewing wild animals.	Six months		Complied
9. General observations/recommendations of the evaluating officer					
23		Arrangement should be done by the authorities of the Deer Park to ensure that concerned staff are in proximity to the Deer Park so that they can attend to any emergency. If felt necessary, quarters for such staff may be provided outside the Deer Park separated by a wall and having independent entry and exit.			Complied

29. List of free living wild animals within the zoo premises

- a. Mammals - Block Buck - 4
Spotted Deer - 24
- b. Birds - Peacock - 3
- c. Reptiles - Nil

Deputy Conservator of Forests,
Ghataprabha Division, Gokak.
