Violations observed during 18.11.2015 and also during present evaluation dated:04.10.2017	It is submitted that there is no budget provision for constructing the Post-mortem room. If the budget is provided by the State Govt., the post-mortem room will be constructed in due course.
26	10.7 (2)	It is observed that Post-mortem examination of a male spotted deer that died on 11.04.2017 was performed on 12.04.2017 at 11.00 AM and the report indicates that the "time of death is 48 hours prior to post-mortem examination" and "cause of death is undetermined due to putrefactive changes (greenish black discoloration) of all internal organs". However, records of the Deer Park other than the Post-mortem Report		Violations observed during present evaluation dated: 04.10.2017	It is un-fortunate to state that the Doctor available at S.V.Zoo Park, Tirupati was busy on that day of 11.04.2017 and with great effort he could be able to do the post-mortem. However, it will be corrected and there shall be no delay in getting post-mortems. A detailed report will be submitted shortly on the death of captive animal in the Deer Park.

		indicate that the Post-mortem examination is conducted on 11.04.2017 at 07.00 PM. This situation should be avoided in future and post-mortem examination should be conducted at the earliest possible.			
		As per records produced, there is no death of captive animal in the Deer Park during the period ranging from 19.10.2013 to 07.11.2016. It appears unlikely and this should be enquired Zoo Operator and report should be submitted to the Central Zoo Authority.			
27	10.9 (2)	The Deer Park has failed to introduce new blood line in its population through animal exchange with other zoos in the State in order to make the population viable, and heterozygous.		Violations observed during 18.11.2015 and also during present evaluation dated:04.10.2017	A letter has been addressed to the Addl. Prl. Chief Conservator of Forests, WLM Circle, Tirupati vide DFO, Chittoor East Rc.No. 114/2003/G4, Dt.08.11.2017 requesting necessary directions to the concerned Zoo authorities for introduction of new blood. Accordingly, the Addl. Prl. Chief Conservator of Forests, WLM Circle, Tirupati has also issued instructions to address the Executive Officer, TTD, Tirupati for introduction of new blood. A letter has also submitted to the Chief Wildlife Warden of the State vide DFO, Chittoor East Rc. No. 114/2003/G4, Dt.17.07.2018 for issuing necessary instructions to the TTD authorities for introduction of new blood. Hence, the issue is under persuasion and will be attended very shortly.
28	10.9 (9)	The Deer Park has failed to keep the animals within the carrying capacity of the enclosure. Necessary population control measures should be taken for the prolifically breeding species particularly for spotted deer.		Violations observed during 24.08.2007 and also during present evaluation dated:04.10.2017	The extent of Deer Park is enhanced from 3.25 Ha. to 5.15 Ha. as suggested by the CZA and at present there are 40 number of Deers in the Deer Park as on 31.03.2018. It will be enhanced based on suggestions. The matter will be pursued in consultation with the Chef Wildlife Warden and CZA, following the protocol prescribed by the CZA and the IUCN.

29	10.12 (2)	The Deer Park has failed to provide first aid box including snake anti-venom and life saving drugs in the zoo premises.		Violations observed during present evaluation dated: 04.10.2017	The first aid box is maintained in the Mini Zoo / Deer Park, Chittoor but the anti-venom will be procured shortly.
30	11 (1)	It is observed that closing stock of animals in preceding year is not matching with the opening stock in the ensuing year. This should be verified.		Violations observed during 04.08.2010 and also during present evaluation dated:04.10.2017	The month wise opening balance from 01.04.2017 to 31.03.2018 is submitted herewith for ready reference. This discrepancy is due to births and some un-identified deers are developed as Male / Female deers. Henceforth, it will be taken care of.
