CENTRAL ZOO AUTHORITY

Shri Bhupender Yadav
Hon'ble Minister for Environment, Forest & Climate Change

Shri Kirti Vardhan Singh
Hon'ble Minister of State for Environment, Forest and Climate Change

From the Desk of Member Secretary

The Central Zoo Authority was established by the Government of India in February, 1992 under the provisions of Wildlife (Protection) Act, 1972. The primary objective of CZA has been to oversee the management of zoos in the country and provide them necessary technical and other inputs to enable them to reach the prescribed standards.

Within the existing provisions under the Act and the Recognition of Zoo Rules, 2009 (amended in 2013), CZA performs the statutory functions like specifying standards and norms of animal housing, upkeep and health care, financial and technical assistance for developmental works and conservation breeding, animal exchange, capacity building of zoo personnel, research and monitoring, periodic evaluation and granting recognition to the zoos.

The Authority consists a chairperson, ten members and a Member Secretary. The CZA has constituted different committees for its assistance in the 'Performance of functions assigned to it under the Section 38C of the Wildlife (Protection), Act, 1972'. The Administrative Committee, the Technical Committee and the Expert Group on Zoo Designing are regular constituents of the CZA. The functions of these committees are regulated by the Governing Body i.e. Central Zoo Authority, which is chaired by the Hon'ble Minister of Environment, Forest & Climate Change, Government of India and assisted by the Member Secretary as Chief Executive Officer (CEO).

The publication of Annual Report is a mandatory requirement and a formal practice of the CZA. The annual report provides a glimpse of the activities carried out by the authority during the financial year.

It is now with a sense of satisfaction and achievement that the Annual Report and the Annual Audited Account for the financial year 2024-25 as already recommended by the Technical Committee and the Administrative Committee and was placed before the CZA, is tabled before the Hon'ble Members of Parliament for perusal and providing their guidance to CZA. It is also circulated to the zoos and placed in the public domain for the benefit of the general public.

I gratefully acknowledge the guidance of the Governing Body of the CZA and expert members of the various committees of the CZA. I also acknowledge the commitment and contribution and help from the each and every personnel working in the CZA in the preparation of the Annual Report.

Dr. V. Clement Ben
Member Secretary
Central Zoo Authority

1. Introduction

The Indian Board for Wild Life is constituted its Zoo Wing as 'the Expert Group on Zoos' at its 9th session held on 18th November 1972 at New Delhi to make detailed study for setting up and maintenance of zoos in the country. The Expert Group on Zoos submitted its report in June 1973 which was accepted by the Board in its meeting in November 1973. The report recommended the setting up of a central agency (Zoo Grants Commission), and to give effect to this recommendation, the Wild Life (Protection) Act, 1972 was amended through an amendment Act in the year 1991. A separate chapter, Chapter IVA containing Section 38A to 38J was added to the Wild Life (Protection) Act, 1972 for the establishment of Central Zoo Authority in India. Accordingly, the Central Zoo Authority was constituted as a statutory body of the Ministry of Environment & Forests by the Government of India in the year 1992 to oversee the functioning of zoos in India and provide them technical assistance besides raising existing standards of animal upkeep and veterinary care in zoos.

1.1 Vision

The zoo will have healthy animals in an ecosystem-based naturalistic enclosure, be supportive to *in-situ* and *ex-situ* conservation with competent and content staff, good educational and interpretive facilities, have the support of people and be self-sufficient.

1.2 Mission

The Central Zoo Authority's mission is to provide better upkeep and veterinary care to the wild animals housed in zoos in India and to ensure their conservation through best practices of management, education & creating awareness among the people.

1.3 Objective

The main objective is to-

- a. Enforce minimum standards and norms for upkeep and healthcare of animals in Indian zoos and
- b. Control mushrooming of unplanned and ill-conceived zoos.

1.4 Functions

Zoos in India are regulated under the provisions of the Wild Life (Protection) Act, 1972 and are guided by the National Zoo Policy, 1998. The Government of India formulated Recognition of Zoo Rules, 1992. It was revised as Recognition of Zoo Rules, 2009 on the recommendation of the Central Zoo Authority. These rules lay down standards and norms for management of zoos in the country. The Central Zoo Authority oversees the functioning of zoos in the country and provides them with technical and other assistance for their improvement.

The Authority has been assigned following functions under Section 38 (C) of the Wild Life (Protection) Act, 1972-

- a. To specify the minimum standards for housing, upkeep and veterinary care of the animals kept in zoos;
- b. To evaluate and assess the functioning of the zoos with respect to the prescribed standards or norms;
- c. To recognize or derecognize zoos;
- d. To identify endangered species of wild animals for purposes of captive breeding and assigning responsibility in this regard to a zoo.
- e. To coordinate the acquisition, exchange, and loaning of animals for breeding purpose.

- f. To ensure maintenance of studbooks of endangered species of wild animals bred in captivity.
- g. To identify priorities and themes with regard to display of captive animals in zoos.
- h. To coordinate training of zoo personnel in India and outside India.
- i. To coordinate research in captive breeding and educational programmes for the purposes of zoos.
- j. To provide technical and other assistance to zoos for their proper management and development on scientific lines.
- k. To perform such other functions as may be necessary to carry out the purposes of this Act with regard to zoos.

4.2 List of the recognized zoos as on 31st March 2025

The zoos in India require recognition of the Central Zoo Authority for operation under the provisions of the Section 38 H(I) of the Wild Life (Protection) Act, 1972. No zoo in the country can be established without prior permission and can be operated without recognition from the Central Zoo Authority.

For the purpose of scientific management and operation of zoos in the country and regulation of the physical and human infrastructure in the zoos, the Government of India has laid down standards and norms under the Recognition of Zoo Rules, 2009. Accordingly, under Rule 9 of the Recognition of Zoo Rules, 2009 the zoos in India have been classified in the categories such as "Large, Medium, Small and Mini zoos". This classification of the zoos has been made for the purpose of management of the zoos and to apply the standards and norms pertaining to the housing, upkeep, veterinary care etc. The Rule 9 of the Recognition of Zoo Rules, 2009 lays down the criteria (area of the zoo, number of visitors, number of species and animals and number of animals of endangered species) for classification of the zoos. The zoo should meet at least any four of the aforesaid criteria (including total number of species, total number of endangered species and also total number of animals including that of endangered species housed by them) to be classified into any of the above mentioned four categories.

As on 31.03.2025, there are 156 zoos in the country recognized under the Section 38 H(I) of the Wild Life (Protection) Act, 1972. The classification of these zoos are 17 Large category zoos, 23 Medium category zoos, 34 Small category zoos, 62 Mini category zoos and 20 Rescue Centre. The list of the 156 recognized zoos in the country with their category is mentioned below-

Sl.	State Name	Zoo Name	City	Category

4.3 Transparency in the functioning of the CZA

The Central Zoo Authority, as part of its efforts to achieve transparency, better access, ease of operation and enhanced utility of data in performance of functions assigned under Section 38-C of the Wild Life (Protection) Act, 1972, the CZA has developed an online portal called "ZOOMIS". This portal is already functional and recognized zoos of the country are using it to update information as per RZR.

Also, The CZA has its own website i.e., <https://cza.nic.in> which is available to general public. It has almost all the information available about the zoos in India. The CZA website has information about zoos address, phone number etc., Animal Inventory in zoos, Annual Report of zoos, zoo related publication, Notification & Circulars related to zoos, Approved Master Plan, Approved Master (layout) Plan, Approved Exhibit Design, Studbook of Endangered Species, Documents related to legislation & policy and many more.

During the financial year 2024-25, two complaints under provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, have been disposed by the Internal Committee constituted in Office of Central Zoo Authority.

4.4 Conservation Breeding Programme

74 species of indigenous fauna have been identified by the Central Zoo Authority (CZA) for planned conservation breeding. This includes 24 species of birds, 46 species of mammals and 3 species of reptiles and 1 species of amphibian. For this purpose, 42 zoos have been identified, of which 29, are designated as the coordinating zoo and remaining designated as participating zoo. It was earlier envisioned that at least 100 genetically, physically, and behaviourally fit individuals of each identified species are established. The goal is to have these populations as an 'insurance' (i.e., maintaining a viable population of the species *ex-situ*) in case species restoration is planned. The establishment of these populations broadly follows the "IUCN Species Survival Commission Guidelines on the Use of Ex situ Management for Species Conservation (Version 2.0)".

The CZA had published the first "Guidelines/Norms for Conservation Breeding Programme of the Central Zoo Authority" in 2011. As part of this, 25 species (17 threatened species, 3 Critically Endangered and 5 Endangered) were provided financial assistance by the CZA. Examples of successful breeding programs that have resulted in the establishment of captive populations include:

- a. Barasingha (*Rucervus duvaucelii*)
- b. White-rumped Vulture (*Gyps bengalensis*)
- c. Himalayan newt (*Tylototriton verrucosus*)
- d. Lion-tailed Macaque (*Macaca silenus*)
- e. Stump-tailed Macaque (*Macaca arctoides*)
- f. Western Tragopan (*Tragopan melanocephalus*)
- g. Red Panda (*Ailurus fulgens ssp fulgens*)
- h. Smooth-coated otter (*Lutrogale perspicillata*)
- i. Himalayan Monal (*Lophophorus impejanus*)
- j. Nicobar Pigeon (*Caloenas nicobarica*)
- k. Indian pangolin (*Manis crassicaudata*)

During the year 2024-25 various species have bred well in captivity which includes Indian Chevrotain (*Moschiola indica*), Cheer Pheasant (*Catreus wallichii*), White-rumped Vulture (*Gyps bengalensis*), Long-billed vulture, Blyth's Tragopan (*Tragopan blythii*), Indian pangolin (*Manis crassicaudata*) etc.

Red Panda (*Ailurus fulgens ssp fulgens*) Conservation breeding program

The conservation breeding success story followed by rehabilitation into wild have been witnessed in case of Red pandas at Padmaja Naidu Himalayan Zoological Park, Darjeeling, West Bengal wherein in 2023, three female red pandas were released and all 3 mated with their wild counterparts and gave birth to a total 5 cubs. This marks the success of the Red Panda augmentation program. In 2024, two female red pandas were again released in Singalila National Park and were observed with their wild counterparts when tracked for a year's duration. The released red pandas were fitted with radio collars and were tracked and monitored for researchers, collecting valuable data on the behavior, movement and habitat preferences of the species.

The international cooperation with the Rotterdam Zoo, Netherlands for conservation breeding of Red Panda (*Ailurus fulgens ssp fulgens*) is also ongoing by Padmaja Naidu Himalayan Zoological, Darjeeling, West Bengal as part of which permission

for the acquisition of 2 male Red Panda (*Ailurus fulgens ssp fulgens*) has been accorded by CZA.

The results of the efforts of the last three years in the direction of conservation breeding of species in Indian zoo have been depicted below in the tabular form with respect to a few species:

OPINION OF THE COMPTROLLER & AUDITOR GENERAL OF INDIA ON THE ACCOUNTS OF CENTRAL ZOO AUTHORITY, DELHI FOR THE YEAR ENDED 31 MARCH, 2025

Opinion

We have audited the Financial Statements of Central Zoo Authority which comprise the statement of Financial Position as at 31 March, 2025 and the Income & Expenditure Account/Receipts & Payment Account for the year then ended, and notes to the Financial Statements, including a summary of Significant Accounting Policies under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971.

This Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards, disclosure norms, *etc.*, Audit observations on Financial Transactions regarding compliance with the Law, Rules and Regulations (Propriety & Regularity) and efficiency cum performance aspects, *etc.*, if any, are reported through Inspection Reports/ CAG's audit reports separately.

In our opinion the accompanying Financial Statements of Central Zoo Authority read together with the Accounting Policies and Notes thereon and matters mentioned in the Separate Audit Report, which follows, **give a true and fair view** of the Financial Position of the autonomous body as at March 31, 2025, and of its Financial Performance and its cash flows for the year then ended in accordance with Uniform Format of Accounts applicable to the CZA.

Basis for Opinion

We conducted our audit in accordance with the CAG's auditing regulations/standards/manuals/guidelines/guidance-notes/orders/circulars *etc.*, Our responsibilities are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the autonomous body in accordance with ethical requirements that are relevant to our audit of the Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Nil

Responsibilities of Management for the Financial Statements

The Member Secretary of Central Zoo Authority is responsible for the preparation and fair presentation of the Financial Statements in accordance with Uniform Format of Accounts, and for internal control as management determines it necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion in accordance with CAG's auditing regulations /standards/ manuals/ guidelines/ guidance-notes/ orders/ circulars *etc.*

Separate Audit Report on the Accounts of Central Zoo Authority, New Delhi for the year ended 31st March 2025

A. Balance Sheet

1. Liability

1.1 Gratuity withheld of Shri R S Rawat, Finance Officer

Shri R. S. Rawat superannuated on 31.12.2024. An amount of ₹20,19,600/- was payable to him as retirement gratuity. Out of this, an amount of ₹4,00,000/- was withheld by CZA as tentative amount for recovery against an audit objection, due to which CZA booked the retirement gratuity payable to Shri R. S. Rawat as ₹16,19,600/-. Since amount withheld from an employee is not a reduction of the gratuity expense but a liability, the entire amount ₹20,19,600/- should have been booked as employee benefit expense (gratuity). This has led to understatement of employee retirement benefit expense by ₹4,00,000/- as well as understatement of liability (amount withheld).

1.2 Provisions

Gratuity Provision

A contribution of ₹9,16,739/- was made against master policy no. GSCA-312259 to LIC vide letter no. F.No.30-7/2000-CZA/152/2025 dated 26.03.2025 for Gratuity. Despite the payment made by CZA, gratuity provision of ₹9,48,402/- for its 7 numbers of regular employees was made by CZA resulting in overstatement of gratuity provision of ₹9,48,402/-.

Further accounting policy of retirement policy is incomplete and not clear. This needs to be corrected. Provision on Earned leave and pension were not as per provision of AS-15.

B. Income & Expenditure Account

1. Income

As per Section 38-H of the The Wild life (Protection) Act, 1972, each zoo shall make an application to the Central Zoo Authority in Form-I, three months before the expiry of the period of recognition along with recognition renewal fee. It is noted that recognitions of large, medium, small, mini category zoos & rescue centres whose renewal are due, since long despite copies of reminders being sent to the respective zoo as per attachment, amounting to ₹77,50,000/- resulted in understatement of income (Recognition Renewal Fees) and assets by the same amount.

2. Prior Period Expenses

An amount of ₹5,98,699/- for prior period expenses had been wrongly booked under current year expenses which had resulted in overstatement of current year expenses and understatement of prior period expenses as shown below:

Sl. No.	Date	Particulars	Amount (₹)
1	04.04.2024	Payment to officials of CZA on account of canteen expenses for the month of March 2024.	2,000.00
2	04.04.2024	Payment to M/s Automotives for the month of March 2024.	16,810.00
3	25.04.2024	Payment to M/s Central News Agency Private Limited for purchase of newspaper for the month of March 2024.	189.00
4	22.05.2025	Payment to Director, Kanpur Zoological Park, Uttar Pradesh for 15 days duration training program from 15.03.2024 to 29.03.2024.	5,79,700.00
Total			5,98,699.00

C. General

1. Failure to finalise the accounting procedure and operationalise the Central Zoo Authority Fund as mandated under Section 38 E of the amended Wildlife Protection Act in the Public Account

In accordance with Section 38E of the Wildlife Protection Act, 1972 (inserted by Act 44 of 1991, w.e.f. 02-10-1991), the Central Zoo Authority (CZA) is required to constitute a Fund called the Central Zoo Authority Fund for crediting grants, loans, fees, and other sums for the CZA. The fund is to be applied for the purposes of meeting the salary, allowances and other remuneration of the members, officers and employees of the Authority and the expenses of the Authority in discharge of its functions maintaining proper accounts and conducting an annual audit by the Comptroller and Auditor General of India.

Contrary to these provisions, CZA failed to credit the grants, fees and other sums into the designated Fund. Further, the salary and other expenses were not routed through this fund, which is intended to provide transparency for statutory provisions, thereby violating the provisions of the Act. Instead, the grants received from the Ministry and various income and expenditure were routed through two banks (balances of ₹321.28 lakh in State Bank of India and ₹27.80 lakh in Union Bank of India respective balances as on 31.03.2025 as per bank statements) outside the Government Account. As such,

the Central Zoo Authority needs to finalise the accounting procedure at the earliest and operationalise the Central Zoo Authority Fund in the Public Account at the earliest.

2. NPS payment is not disclosed distinctly in the accounts.

D. Assessment of Internal Controls

(i) Adequacy of Internal Audit System

CZA is audited by Internal Audit Wing of MoEF&CC. The latest internal audit of the accounts of CZA was conducted in January 2025 for the period 01.04.2023 to 31.03.2024.

(ii) Mismatch of receipt of Performance Guarantee from Service Providers

M/s Negi Infotech had executed manpower outsourcing agreement dated 01.03.2024 after finalisation of Bid No. GEM/2024/B/4506237 dated 19.01.2024 effective from 01.03.2024 to 28.02.2027 and as per Clause 3 of the agreement it is stated that performance guarantee of ₹5 lakh is to be submitted by the service provider and vide letter dated 01.02.2022 M/s Negi Infotech had submitted the performance security deposit of ₹1 lakh (Bank FDR) but the FDR was not made available for physical verification during audit.

(iii) System of Physical verification of Fixed Assets

No discrepancy noticed.

(iv) System of Physical Verification of Inventory

No discrepancies noticed.

(v) Regularity in payment of statutory dues

No discrepancies noticed.

(vi) Other matters relating to functioning of the entity

No discrepancies noticed.

H. Grant-in-Aid

CZA had negative opening balance of ₹21.08 lakh as highlighted in the previous SAR (yet to be regularised). During FY 2024-25 CZA received ₹1700 lakh as total Grant-in-aid comprising of ₹925 lakh for "GIA General", ₹275 lakh for "GIA Salary", and ₹500 lakh for CAMPA for initialising construction work for National Referral Centre – Wildlife (NRC-W) at Junagadh, Gujarat for the year 2024-25. Against this CZA

incurred an expenditure of ₹763.80 lakh under "GIA General", ₹408.66 lakh under "GIA Salary" and ₹500 lakh under CAMPA, leaving a balance of ₹27.53 lakh as unutilised grant as of 31st March 2025.

Management Letter

इस कार्यालय के पत्र दिनांक 16.10.2025 के द्वारा Central Zoo Authority के 31.03.2025 को समाप्त वित्तीय वर्ष से संबंधित वार्षिक लेखों पर Draft Separate Audit Report जारी कि गई थी। लेखापरीक्षण के दौरान मिली विसंगति पर आपका ध्यान आकर्षित करना चाहूंगा तथा निवेदन करूंगा कि इनकी समीक्षा करने के पश्चात निम्नांकित बिन्दु पर उचित उपचारात्मक कार्यवाही की जाए:-

1. An addition amounting to ₹99,298/- was wrongly made to "Corpus/ Capital Fund" from Leave Salary contribution of Smt. Seema Burreja, P.S. totalling . Further, the interest on loans totalling ₹18,953 has been shown as 'Addition' under the head "Corpus/ Capital Fund" and resulted in overstatement of "Corpus/ Capital Fund" by ₹1,18,251 and understatement of leave salary contribution and interest income.
2. An advance payment of ₹60,000/- was made to Sansadiya Rajbhasha Samiti on 08.03.2024. Thereafter the adjustment bill was made in June, 2024 resulting in understatement of prior period expenditure and overstatement of advances by ₹60,000/-.
3. As per circular no. 19030/1/2017-E.IV dated 15 June, 2021 issued by Ministry of Finance, Department of Expenditure, stipulating that expenses bills are to be submitted within 60 days of completion of journey and it is noted that settlement advance amount of ₹2,26,800/- paid to Sh. Sanjay Kumar Shukla MS/ CZA vide voucher dated 31.01.2025. The bills for the same had not been sought and adjusted till date, resulting overstatement of loans & advances and understatement of expenses.
4. Interest as on 31.03.2025 credited in Union Bank of India amounting to ₹93,676/- was not returned to the Ministry at the end of year resulting in understatement of current liabilities and overstatement of interest income.
5. Audit fees provision of ₹2,90,250/- was not made in the books of accounts resulting in understatement of Audit fees payable to CAG and overstatement of income. Despite being pointed by Audit in previous years, no compliance of the same could be ensured in FY 2024-25.
6. **Non-disclosure of Contingent Liabilities** - Para 68 of the Accounting Standard (AS) 29 "Provisions, Contingent Liabilities and Contingent Assets" clearly requires that in the Notes to Accounts, an entity make disclosures regarding the nature of each class of contingent liability. It was noticed in audit scrutiny that as on March 31, 2025, out of a total 22 legal cases, 18 legal cases were pending. CZA had failed to disclose a contingent liability amounting to ₹2,04,03,108/- (plus interest) in its financial statements for the financial year 2024-25. This pertains to a legal case, which is under adjudication, concerning Kanpur Zoological Park, Uttar Pradesh, where CZA was included as one of the respondents to the case, in which the complainant sought compensation amounting to ₹2,04,03,108/- (plus interest). However, this amount had not been disclosed as a contingent liability in the notes to accounts or elsewhere in the financial statements, thereby undermining the completeness and transparency of the financial reporting. As per applicable accounting standard, all

known contingent liabilities should be disclosed in the financial statements unless the possibility of an outflow of resources is remote.

7. During the scrutiny of the accounts of the Central Zoo Authority, it was noticed that under the head "Corpus/ Capital Fund," in the accounts for FY 2021-22, 'prior period items' amounting to ₹1,52,559/- were erroneously added instead of being deducted from the Fund. This led to an overstatement of the overall "Corpus/ Capital Fund" by ₹3,05,118/ which remained unrectified over subsequent years, resulting in the "Corpus/ Capital Fund" remaining overstated and prior period expense understated by the same amount in the FY 2024-25 accounts of CZA, as detailed below:

(Amount in ₹)

Sl. No.	FY	Opening balance in the "Corpus/ Capital Fund"	Addition / deduction during the year	Closing balance as shown in the Annual Accounts under the head "Corpus/ Capital Fund"	Actual correct balance to be carried
