

**ADUMALLESHWARA MINI ZOO
CHITRADURGA**

ANNUAL REPORT 2024-25

1. REPORT OF THE OFFICER - INCHARGE

Dear Readers,

Greetings from Adumalleshwara Mini Zoo!

It gives me immense pleasure to share the developments and achievements of Adumalleshwara Mini Zoo during the past year. The zoo has witnessed remarkable transformation with the construction of new enclosures, the addition of animal and bird species and the implementation of enrichment activities across exhibits. All initiatives have been undertaken strictly in accordance with the guidelines of the Central Zoo Authority and the Zoo Authority of Karnataka, ensuring the welfare of the animals and an enriching experience for our visitors.

Central Zoo Authority has accorded approval for the Zoo's Master Layout Plan, including the designs and drawings of animal enclosures. This is a significant milestone for us, as it paves the way for planned growth and scientific management of the Zoo. Awareness programmes have also been organized throughout the year to educate visitors on the importance of wildlife conservation and the protection of natural habitats.

The newly designed enclosures are being developed with a focus on blending seamlessly into the natural landscape, thereby enhancing the aesthetic value of the exhibits while providing animals with a more enriching environment.

We are deeply grateful to the Member Secretary, Zoo Authority of Karnataka, whose keen interest and regular visits have inspired and guided the Zoo administration in its developmental initiatives. We sincerely thank the Zoo Authority of Karnataka for their continued financial and technical support in strengthening the infrastructure of Adumalleshwara Mini Zoo. Our heartfelt thanks are also extended to the Executive Directors of Mysuru, Bannerghatta and Hampi Zoo's for their generous contribution of animals and birds, as well as for extending expert veterinary support during emergencies.

As we move forward, the management of Adumalleshwara Mini Zoo remains firmly committed to ensuring animal welfare, promoting wildlife education, and enhancing the visitor experience. Our vision is to make every visit to Adumalleshwara Mini Zoo memorable, inspiring, and meaningful for all.

2. HISTORY OF THE ZOO

Adumalleshwara Mini Zoo is located within the limits of the Jogimatti Wildlife Sanctuary, Chitradurga Division, approximately 5 km south of Chitradurga town, in Survey No. 26 of Chitradurga (Longitude: E 76°23'648", Latitude: N 14°23'094"), at an elevation of about 787 meters above Mean Sea Level (MSL).

The Zoo is established in an area of 8.5 hectares. Jogimatti Reserve Forest was declared as a Wildlife Sanctuary vide Government Order dated 23.12.2015. The Mini Zoo was formally opened to the public on 12.04.1987, and since then, it has been serving as a centre for wildlife education, conservation awareness, and recreation.

Adumalleshwara Mini Zoo is one of the nine Zoos functioning under the Zoo Authority of Karnataka (ZAK) and has been under its administrative control since 18.09.2017. The Zoo is also recognized by the Central Zoo Authority (CZA).

An Advisory Committee for the Zoo was constituted vide Government Order No. AHFF 91 FWL 88, Bangalore, dated 04.08.1989, under the Chairmanship of the Conservator of Forests, Bellary Circle, Bellary, to guide and support the management and developmental activities of the Zoo.

3. VISION

The Adumalleshwara Mini Zoo was established with the vision of providing the public, especially children - an opportunity to observe wild animals in close proximity, in enclosures that resemble their natural habitats. In addition, a dedicated children's recreation area was developed to encourage outdoor engagement and enjoyment amidst the wilderness. This facility is currently being remodelled under the guidance and directions of the Member Secretary, Zoo Authority of Karnataka, to further enhance the visitor experience and align with modern standards of zoo management.

4. MISSION

The Adumalleshwara Mini Zoo serves as an exhibition centre of the rich biodiversity of Chitradurga District. It also functions as a Wildlife Conservation Centre while acting as an educational platform to create awareness about the importance of wildlife and the conservation of their natural habitats.

5. OBJECTIVE

- To create awareness about the wildlife of Chitradurga District as well as the neighbouring districts.
- To serve as an education centre for the public, with special focus on children.
- To spread awareness on issues related to man–animal conflict.
- To educate and enlighten visitors by displaying wild animals those are important, interesting, and essential to the ecosystem, thereby fostering empathy towards wildlife.
- To provide an excellent opportunity for people to connect with nature and wildlife.
- To offer recreational facilities for the visiting public.
- To encourage public participation in zoo management through initiatives such as the Animal Adoption Programme.

6. ABOUT US

Basic Information About the Zoo

Name of the Zoo	: Adumalleshwara Mini Zoo, Chitradurga
Year of Establishment	: 1987
Address of the Zoo	: Adumalleshwara Mini Zoo, Jogimatti road, Chitradurga - 577501
State	: Karnataka
Telephone Number	: 08194-230402

7. ORGANIZATIONAL CHART

8. HUMAN RESOURCE**Man power of the Zoo**

Sl. No.	Designation	Number of Sanctioned Posts	Names of the incumbent
1	Executive Director	1	Sri. Rajanna T, IFS(till 28-02-2025) Sri. Arsalan, IFS (1-03-2025 to 31-03-2025)
2	Range Forest Officer	2	Sri. Vasudeva N(01-04-2024 to 06-07-2024) Smt. Akshatha I B (16-08-2024 to till date)
4	Deputy Range Forest Officer	1	Sri. Venkatesh Bheemanna Padadalli
5	Beat Forester	1	Sri. Santosh Mallapur
5	Office /Other Staffs (Outsourced)	04	(1) Mahalakshmi (2) Thanuja T (3) Vani R (4) Ramesh T
6	Animal Keepers (Outsourced)	9	(1) Rakesh T R (2) Ajay Kumar B N (3) Shivananda B (4) Suresh (5) Thippeswamy R (6) ShivaKumar A (7) Mahantesh (8) Manjunath K (9) Mohan Kumar
7	Ticket Collector(Outsourced)	02	(1) Kanumesh (2) Nagaraj R
8	Sweeper (Outsourced)	06	(1) Pranesh B (2) Manjunath A B (3) Anil M (4) Chandan (5) Anasuya Karbhari (6) Manjunath S
9	Night watcher	01	Ramanjanappa

9. CAPACITY BUILDING OF ZOO PERSONNEL

Sl. No.	Name and designation of the zoo personnel	Subject matter of Training	Period of Training	Name of the Institution where the Training attended
1.	Sri. Anil M	Capacity Building Workshop for Zoo keepers	23-10-24 to 25-10-2024	Pilikula Biological Park, Pilikula development Authority, Moodushedde, Mangalore, Karnataka-575028.

10. ZOO ADVISORY COMMITTEE

The Zoo Advisory Committee has constituted during the year 1989, no meeting has been held time 1989. Action is being taken to conduct meetings at the earliest.

A. Date of constitution : 04/08/1989

B. Members

President : Chief Conservator of Forests, Bellary Circle, Bellary
Member : Local Member of Legislative Assembly
Member : President-City Municipality, Chitradurga
Member : Honorary Wildlife Warden, Chitradurga District
Member : Superintend of Police, Chitradurga District, Chitradurga
Member : Manager-Lead Bank, Chitradurga

Member Secretary : Deputy Conservator of Forests, Chitradurga

C. Dates on which Meetings held during the year: Meetings not held during the year.

11. HEALTH ADVISORY COMMITTEE

The Committee was constituted during the year 2020. No meetings have been held since the committee was constituted, action will be taken to conduct meeting at the earliest.

- a. Date of constitution: 20-02-2020**
- b. Members: Health Advisory Committee Members**
- c. Dates on which Meetings were held during the year: No meetings were held**

12. STATEMENT OF INCOME AND EXPENDITURE OF THE ZOO

Sl. No.	Income	Expenditure
1	Revenue Collected from 01-04-2024 to 31-03-2025 (Adoption, Bank Interest, Canteen Rent, gate collection)	77,30,023.00
2	Financial Assistance-Zoo Authority Karnataka	2,57,75,700.00
3	Expenditure of the year	3,49,06,673.00

13. DAILY FEED SCHEDULE OF ANIMALS

Sl. No.	Species	Feed item	Day of fasting
1.	Tiger	Beef/ Beef Liver/Chicken	Tuesday
2.	Leopard	Beef/ Beef Liver/Chicken	Tuesday
3.	Jackal	Beef/ Chicken	Tuesday
4.	Silver Pheasant	Eggs, Green Leafy Vegetables, mixed grains, Poultry Feed, Chickpeas, Garlic, , Seasonal fruit, Apple, Earth worm, Tomato, Sunflower seeds, maize, black gram	-
5.	Lady Amherst	Eggs, Green Leafy Vegetables, mixed grains, Poultry Feed, Chickpeas, Garlic, , Seasonal fruit, Apple, Earth worm, Tomato, Sunflower seeds, maize, black gram	-
6.	Rose Ringed Parakeet	Banana, Green leaves, Mixed grains, Garlic, Seasonal fruits, apple, Ground nut, Bajra, Bengal gram, sunflower, black gram	-
7.	Budgerigar	Apple, Seasonal Fruits, Green leaves, sunflower, bajra, black gram, Egg, Foxtail millet, Flaxseeds, ragi, bengal gram, garlic, Groundnut, Mixed grains, Beans	-
8.	Indian Peafowl	Eggs, Green Leafy Vegetables, mixed grains, Poultry Feed, Chickpeas, Garlic, , Seasonal fruit, Apple, Earth worm, Tomato, Sunflower seeds, maize, black gram	-
9.	Emu	Banana, green leaves, mixed grains, poultry feed, Bengal gram, soya bean meal, garlic, seasonal fruits, apple, earth/meal worm, onion, black gram, potato, Cabbage	-

10.	Rock Tortoise	Veg green, Mutton Keema	-
11.	Starred Tortoise	Veg green, Mutton Keema	-
12.	Sloth Bear	Apple, Banana, Seasonal fruits, sweet potato, honey, watermelon, Ragi Flour, Egg, Jaggery, Tender coconut, Earth/meal worm	-
13.	Black Buck	Carrot, Horse gram, Green gram, Maize, Wheat bran, Ground nut cake, Cattle Feed, Salt, Cut Branches, Vegetables, Ground nut Husk, Dry Grass	-
14.	Golden Pheasant	Eggs, Green Leafy Vegetables, mixed grains, Poultry Feed, Chickpeas, Garlic, , Seasonal fruit, Apple, Earth worm, Tomato, Sunflower seeds, maize, black gram	-
15.	Yellow Golden Pheasant	Eggs, Green Leafy Vegetables, mixed grains, Poultry Feed, Chickpeas, Garlic, , Seasonal fruit, Apple, Earth worm, Tomato, Sunflower seeds, maize, black gram	-
16.	Jungle Fowl	Eggs, green leaves, Mixed grains, Poultry feed, Soya bean meal, garlic, Apple, Seasonal Fruit, bajra, Maize, Black grams, tomato, earth/meal worm	-
17.	Nilgai	Horse gram, Green gram, Maize, Wheat bran, Ground nut cake, Cattle Feed, Salt, Cut Branches, Vegetables, Ground nut Husk, Dry Grass	
18.	Spotted Deer	Horse gram, Green gram, Maize, Wheat bran, Ground nut cake, Cattle Feed, Salt, Cut Branches, Vegetables, Ground nut Husk, Dry Grass	
19.	Marsh Crocodile	Live fowl/Live Fish/Boneless Beef	

20.	Rosy Faced Love Birds	Banana, green leaves, mixed grains, foxtail millet, Soya beanmeal, garlic, seasonal fruits, apple, groundnut, bengal gram, sunflower, egg, black gram, beans	
21.	Cockatiel	Banana, Green Leaves, Mixed grains, Foxtail Millet, Garlic, Seasonal fruits, Apple, Ground nut, Bengal gram, Ragi, Sunflower, Black gram, Flax seeds	
22.	Rock Python	Live Quail, Live Rabbit, Live Fowl	

4. VACCINATION SCHEDULE OF ANIMAL

Sl. No.	Species	Disease vaccinated for	Name of the Vaccine and dosage/ quantity used	Periodicity	Remarks
1.	Leopards	Feline panleukopenia, feline calicivirus, Feline infectious Rhinotracheitis, Rabies	Feligen CRP vaccine (Feligen) 1ml s/c, Rabigen 1ml s/c	Annual	
		Trypanosomiasis	Surral 1ml	Once in three Months	
2.	Jackal	Canine distemper, Canine parainfluenza, Canine Paravovirus, Rabies leptospirosis,	DHPPiL, Rabigen 1ml s/c	Annual	

4.	Tiger	Feline panleukopenia, feline calicivirus, Feline infectious Rhinotracheitis, Rabies	FeligenCRP vaccine(Feligen) 1ml s/c, Rabigen 1ml s/c	Annual	
----	-------	---	--	--------	--

15. DE-WORMINGSCHEDULEOF ANIMALS

Sl. No.	Species	Drug used	Month
1	All Animals/Birds	Kiwof-plus XL/ Panacur/ Albomar/ Worm trap	April
2.	All Animals/Birds	Kiwof-plus XL/ Panacur/ Albomar/ Worm trap	July
3.	All Animals/Birds	Kiwof-plus XL/ Panacur/ Albomar/ Worm trap	November
4.	All Animals/Birds	Kiwof-plus XL/ Panacur/ Albomar/ Worm trap	February

16. DISINFECTION SCHEDULE

Sl. No.	Species	Type of enclosure	Disinfectant used and method	Frequency of disinfection
1	All Animals	All holding house passages	Microlysore - Mopping	Daily
2.	All animals	All holding house passages	Microlysore - Mopping	Daily

3.	All animals	All holding house passages	Potassium Permanganate for Foot dip	Daily
4.	All animals	All holding house passages, exhibit areas	Microlysore	Once a week as a prophylactic method

17. HEALTH CHECK-UP OF EMPLOYEES FOR ZONOTIC DISEASES

Employees Vaccinated for Anti-Rabies and Hepatitis-B every year.

Sl. No.	Name	Designation	Date of Health Check-up	Findings of Health Check up
1.	Smt. AkshathaIB	Range Forest Officer	21-09-2024	omplete Blood Count, Antibodies of Rabies, Blastomycosis, Psittacosis, Trichinosis, Cat scratch disease, Histoplasmosis, coccidiomycosis and other zoonotic diseases causing organisms not found.
2	Sri. Venkatesh Padadalli	Deputy Range Forest Officer	21-09-2024	
3.	Sri. Santosh Mallapur	Beat Forester	21-09-2024	
4.	Kum.Thanuja T	Site Engineer	21-09-2024	
5	Smt. Mahalakshmi N	Data entry	21-09-2024	
6	Sri. Ramanjinappa	Night Watcher	21-09-2024	
7.	Sri. Mohan Kumar T N	Animal Keeper	21-09-2024	

8.	Sri.Manjunath K	Animal Keeper	21-09-2024
9.	Sri.RameshT	Vet Assistant	21-09-2024
10	Sri. Nagaraj R	Animal Keeper	21-09-2024
11	Sri. Ajay Kumar B N	Animal Keeper	21-09-2024
12	Sri. Shivananda B	Animal Keeper	21-09-2024
13	Sri. Rakesh T R	Animal Keeper	21-09-2024
14	Sri. Suresh H	Animal Keeper	21-09-2024
15	Sri. Thippeswamy R	Animal Keeper	21-09-2024
16	Sri. Shivakumar P A	Animal Keeper	21-09-2024
17	Sri. Mahathesh O	Animal Keeper	21-09-2024
18	Sri. Manjunath A B	Animal Keeper	21-09-2024
19	Sri. Chandan B	Animal Keeper	21-09-2024
20.	Sri. Anil M	Animal Keeper	21-09-2024
21.	Sri. Manjunath S	Animal Keeper	21-09-2024
22.	Sri. Kanumesh M	Animal Keeper	21-09-2024

Health check-up camp for employees held on 21-09-2024

18. DEVELOPMENT WORKS CARRIED OUT IN THE ZOO DURING THE YEAR 2024-25

Exotic Birds Enclosure

19. EDUCATION AND AWARENESS PROGRAMMES DURING THE YEAR

Celebration of “Swacchata Hi Seva” week: “Swacchata Hi Seva” week was observed in the Zoo, by organizing the programs throughout the week,

1. Ek-Ped Maa Ke Naam Program conducted on 17.09.2024

Adumalleshwara Mini Zoo, Chitradurga, organized ‘Ek- Ped MaaKe Naam’ planting drive, where Magistrate and Lawyers planted saplings to honor mothers and Mother Earth, promoting environmental conservation and community responsibility.

2. Cleaning of Adumalleshwara Temple and Kalyani by zoo staffs on 18.09.2024.

The staff of Adumalleshwara Mini Zoo undertook the cleaning of Adumalleshwara temple and kalyani, contributing to environmental cleanliness and enhancing the sanctity of the surrounding area.

3. International Snake Bite Awareness Program conducted on 19.09.2024

Adumalleshwara Mini Zoo observed International Snakebite Awareness Day by organizing awareness activities to educate visitors on snakebite prevention, first aid, and the importance of conserving snakes in eco-systems. The renowned snake rescuer of Chitradurga district, Sri. Shivanand (popularly known as Snake Shivu) was invited to educate the visitors about the importance of conservation of snakes.

4. Drawing & Poster Making on the theme of “Swacchata Hi Seva” Program conducted on 20.09.2024

Adumalleshwara Mini Zoo conducted Drawing and Poster Making competitions on the theme “Swachhata Hi Seva” inspiring creativity and awareness on cleanliness and environmental conservation.

5. Cleaning of Reptiles Houses Programme conducted on 22.09.2024

6. Pledge on Plastic Waste Management program conducted on 23.09.2024

A Pledge on Plastic Waste Management was conducted at Adumalleshwara Mini Zoo on 23.09.2024, emphasizing the importance of reducing plastic use and promoting sustainable environmental practices.

7. Cleaning of Zoo RFO Office, Store/Kitchen and Hospital Buildings program conducted on 24.09.2024

On 24.09.2024, the staff of Adumalleshwara Mini Zoo carried out a cleaning drive covering the RFO office, store/kitchen, and hospital building as part of the cleanliness initiative.

8. Pledge on Wildlife Conservation program conducted on 25.09.2024

A Wildlife Conservation Pledge programme was conducted at Adumalleshwara Mini Zoo on 25.09.2024, with active public participation to promote awareness and commitment towards protecting wildlife and their habitats.

9. Plastic Drive Program Conducted on 26.09.2024

On 26.09.2024, students from Government First Grade Women's College conducted a Plastic Drive Programme at Adumalleshwara Mini Zoo, promoting awareness on plastic waste reduction and environmental cleanliness.

10. Green Ambassadors program conducted on 27.09.2024

A Green Ambassadors Programme was conducted at Adumalleshwara Mini Zoo on 27.09.2024 to encourage environmental stewardship and active participation in conservation initiatives among students and visitors.

11. Experts Talk on the theme of Swachhata Hi Seva program conducted on 28.09.2024

An Expert Talk on the theme “Swachhata Hi Seva” was conducted at Adumalleshwara Mini Zoo on 28.09.2024, focusing on the importance of cleanliness, waste management, and environmental responsibility.

12. Reusing of Plastic Waste program conducted on 29.09.2024

On 29.09.2024, Adumalleshwara Mini Zoo staff conducted a Plastic Waste Reuse Programme to promote innovative ways of reusing plastic materials and encourage sustainable waste management practices.

13. Reuse and Recycle of Plastic waste awareness program conducted on 30.09.2024

A program on plastic waste management focusing on reuse and recycling was held on 30.09.2024 to promote sustainable practices and environmental responsibility among participants.

14. Street Play program conducted on 01.10.2024

A street play highlighting key social and environmental messages was performed on 01.10.2024 to raise public awareness and engage the community effectively.

20. IMPORTANT EVENTS AND HAPPENINGS:

CELEBRATION OF WILDLIFE WEEK-2024 (02-10-2024 to 08-10-2024)

A. Celebration of Wildlife Yoga Session Program on 02.10.2024

B. Display of Wild Animals & Birds Photos Program Conducted on 03.10.2024

C. Experts Talk on “wildlife conservation through Co-Existence” Program Conducted on 04.10.2024

D. Planting Trees for Wildlife Program Conducted on 05.10.2024

E. Best Out Of Waste Program Conducted on 06.10.2024

F. Wildlife Week Parade Program Conducted on 07.10.2024

G. Animal Ambassador Program Conducted on 08.10.2024 in the presence of Hon'ble Shri. K.C. Veerendra, local MLA, Chitradurga Constituency

An Award program conducted on 08.10.2024 to felicitate best animal keepers for exemplary dedication and service

21. SEASONAL SPECIAL ARRANGEMENTS FOR UPKEEP OF ANIMALS

During summer season all animal enclosures are provided with additional enrichments such as additional shades, disinfecting enclosures, etc., to ensure that the animals are protected from hostile climatic conditions.

Summer Days: During summer season animals are provided with extra portions of Fruits, Electro-care powder. Water sprinklers are installed inside the enclosures to keep the enclosures cool.

Spraying water to captive animals and birds in the enclosures in summer days

SLOTH BEAR ENCLOSURE

TIGER ENCLOSURE

Winter Days: Extra shelters made of grass and screens are provided to keep the enclosures warm during winter season.

TIGER ENCLOSURE

LEOPARD ENCLOSURE

SLOTH BEAR ENCLOSURE

PHEASANTRY ENCLOSURE

22. RESEARCH WORK CARRIED OUT AND PUBLICATION

Research works are not being carried out in the Zoo.

23. CONSERVATION BREEDING PROGRAMME OF THE ZOO: Conservation breeding is not undertaken in the Zoo. However, breeding is taking place naturally in Black bucks, Spotted Deer, Nilgai, Sloth Bear and birds etc.,

24. ANIMAL ACQUISITION / TRANSFER / EXCHANGE DURING THE YEAR 2024-25

Animals arriving in the Zoo					
	H.NO.	Species	Number (M:F)	From which Zoo	Date of arrival in the zoo
A.		Golden Pheasant	2:2	Sri Jayachamarajendra Zoological Gardens, Mysuru	23.04.2024
		Yellow Golden Pheasant	2:2		
		Love birds/Budgerigars	50:50		
Animals going from the zoo					
B.	H.NO.	Species	Number (M:F)	Going to which Zoo	Date of deposition from the zoo
		Leopard	1:0	Bannerughatta Biological Park, Bangalore.	15.04.2024

25. RESCUE AND REHABILITATION OF WILD ANIMALS CARRIED OUT BY THE ZOO

Sl. No.	Date of Rescue	Species with number of animals rescued with their sex (M:F:U:T)	Received from	Date of Submission of Report to the CWLW / CZA	Action taken	
					Date and Place of rehabilitation in their habitat	Reasons for housing in the zoo, if not released in their habitat

Sl. No.	Animal Name (with individual identification mark, if any)	Scientific Name	Sex	Date of Death	Reason of Death as per the Post-mortem report
1	Emu	<i>Dromaius novaehollandiae</i>	Male	12-05-2024	Injured in the optimum the came of above raid bird might due to Hypovolemic and pneumonia
2	Indian Pea fowl	<i>Pavo cristatus</i>	Male	02-06-2024	Mechanical Injured of Hypovolemic shock
3	Lady Amherst	<i>Chrysolophus amherstiae</i>	Male	17-11-2024	Lungs Infection
4	Silver Pheasant	<i>Lophura nycthemera</i>		20-11-2024	Age Related Normal Death
5	Yellow Golden Pheasant	<i>Chrysolophus pictus</i>	Male		Death due to old age
6	Silver Pheasant	<i>Lophura nycthemera</i>	male	31.03.2025	Due to Avian Encephalomyelitis
7	Leopard	<i>Panthera pardus</i>	Male	/08/2024	Was sent to Bannerughatta Biological Park, Bangalore. Reason of death not known.

28. COMPLIANCE WITH CONDITIONS STIPULATED BY THE CENTRAL ZOO AUTHORITY:

Sl. No	Norm No	Particulars of suggestions/recommendations	Time period to comply	Remarks
6. Veterinary and Infrastructure facilities				
1	10.6(1)	Most of the Zoos shall need a freezer facility which can be secured or locked since some of the stored drugs are lethal to humans too. They may be helped in providing the appropriate links for the procurement.	Six Months	A Refrigerator has already been purchased and is being used to store drugs and medicine.
2	10.6(6)	Most of such HR zone capacity building capsules could be uniformly codified by CZA, the trainers identified and advised to the Zoos.		Capacity building of HR zone will be undertaken once the CZA uniformly codifies and identifies the trainers.
11. Visitors facilities				
3	10.11	The Mini Zoos have limited display. Hence well planned and interactive interpretation centres could be planned, even the experts empanelled and advised to such places. This could promote a strong Zoo based education to the visitors and provide extra thrill to the younger generation.		It is proposed to construct a well-equipped Interpretation Centre. Construction of Interpretation Centre is included in the proposals submitted to KMERC. Proposal has been approved by

				KMERC.
--	--	--	--	--------

12. Visitors facilities.				
4	12.1	BOV are really very important for the Zoos. May be something could be done and such vehicles be distributed by CZA.		It is proposed to purchase 3 BOVs of 6 seater capacity under KMERC project. BOVs will be purchased as soon as the project is approved and funds are received.
Other observations.				
5		Most of the periodic activities can be done effectively if some sort of rosters or Registers or some computer software is adopted which may forecast as well as show work done for different activities linked to different staff.		In Zoo, each Animal keeper is entrusted to look after a particular animal. This schedule of duties rarely changes. hence no separate roaster register is maintained Animal keepers sign the attendance register every day.
6		Most of such cases, suitable MOUs may be drafted and signed mutually so as to ensure efficient actions.		Your guidance will be followed

29. LIST OF FREE LIVING WILD ANIMALS WITHIN THE ZOO PREMISES

Mammals	Birds	Reptiles
