Report of the Officer-in-charge

We are pleased to present Annual Report of Deer Park, Jawahar Lake Tourist Complex, Shameerpet, Medchal District, Telangana State currently the only such institution being operated in the Mandal. The year 2021-22 was success and important highlights are presented below in bulleted form.

- J.L.T.C. Shameerpet deer park is situated on the Hyderabad to Karimnagar Road Hyderabad City of distance of 30 Kms from the heart of the city.
- The area measures 26 Hectares and Spotted Deer as the main predators.
- The area of (26) Ha has been fenced.
- The erection of chain link fencing around the area resulted in remarkable revival of the grassland and other scrub and tree growth. Over the years due to the protection and better management practices, the wild animal's population increased steeply.
- Apart from being an urban refuge for a vast floral and faunal diversity, this park is fast developing into an Eco-tourism spot and Nature awareness cum conservation Education Centre.
- Regular Nature camps are being conducted for the Children from surrounding rural schools as well as from the schools and colleges of the twin cities of Hyderabad and Secunderabad to create awareness on forests, wildlife, environment, eco tourism etc.
- During such camps, the children are taken on natural trail for Botanisation, bird watching and nature interpretation.
- This park has a greater potential to be developed as a conservation and eco-tourism area.
- Translocation of spotted deer due to heavy increase in deer population as there is lot of pressure on the park. Hence, (27 Nos) during 2021-22 Deers were translocated.
