1 Report of the Officer-in-charge

As Executive Director of Children's Park Cum Zoo, Gadag this taken many developmental works and conservation education program. In the year 2017-18 we have undertaken many development projects in the zoo premises and Year witnessed the opening year we have of walkthrough aviary and Pond at entrance. Walkthrough concept is first of its kind in north Karnataka.

Awareness generation is the main activity carried out by this zoo that too particularly among children of age group 10-20years with this point of view. 2017-18 year was very memorable in the history of Binkadakatti zoo, as we celebrated 3rd time wildlife week in the month of October by involving school children, college students, environmentalists, officials, range forest officers trainees and local people. We organized different events and competitions for students in zoo premises. Through out the week local MLAs and MP participated in the program with enthusiasm, wide publicity was given to zoo, concentrating especially animal adoption program.

As per the Guidelines of Central Zoo Authority, we have prepared Master (layout) plan for the period of ten years from 2018-19 to 2028-29. Getting approval for Master Plan; will allow the zoo to have many ambitious projects. Among them, the construction of new enclosures for Lion, Hyena, Primates, Snake Park, Construction of interpretation center are a few worth mentioning. Though Binkadakatti zoo team has given its 100% efforts to bring this zoo at the level on par with the best zoos known in Karnataka, still lot more works are to be done. Many more enclosure, better up keep and greater facilities are the deciding factors for better future of Binkadakatti zoo.

I extend my heartfelt thanks to one and all for extending their cooperation including the Chairman, Member Secretary and Governing Council members of Zoo Authority of Karnataka and also the Central Zoo Authority, forest Department, Local administration media and general public for smooth functioning of the zoo.

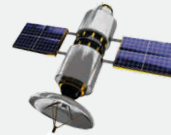

SONAL VRISHNI IFS

Executive Director & Deputy Conservator of Forests,
Children's Park Cum Zoo, Gadag

2 History of the Zoo

Zoo was established in the year 1972 as a Binkadakatti Children Park with the active support of the then Forest Minister Shri K.H.Patil who hailed from Hulkoti village which is located about 5 Kms from the Zoo. The earlier plan for this Zoo was prepared by the Curator of Jaya Chamarajendra Zoological Gardens, Mysore. Since then lot of improvements and developments have taken place in this Zoo.

The Binkadakatti Zoo is carved out of Gadag protected forests Sy.No. 260 declared vide GO No. AFD.234.FAF.61 dt. 31.7.1968.

3

Vision

Conserve Indian Biodiversity and involve people in conservation through management of effective zoo and educational programs.

4

Mission

In order to compliment and strengthen the national efforts in conservation of the rich Bio-diversity of the Country in general and wild animals in particular, the Mission Statement for Binkadakatti Zoo, Gadag shall be

“Live and let Live”

Make the visitors leave, appreciating the intricate web of life that links all the planets creatures, big and small

This mission will be accomplished through housing healthy wild animals in aesthetically designed naturalistic and spacious enclosures with good health care facility and to achieve the distinction of being recognized as a unique and beautiful Zoo making the visitors leaves with a satisfying and happy note

5 Objectives

1. Improve the animal health, conservation and maintenance facilities and provide new exhibits
2. Provide on-site staff work space that enhances efficiency, productivity and collaboration
3. Enhance the zoo's financial stability by creating facilities and programs that yield new, year round revenue streams
4. Improve visitors experience, through recreation which shall be incidental and not the basic objective
5. Promoting conservation education programs
6. Participating in conservation breeding programs
7. Helping in Rescue & Rehabilitation of the wild animals
8. Facilitating Research and documentation activities

9 Capacity Building of the Zoo Personnel

Capacity building activities to the zoo staff is very essential for the management of animals. As zoo personal should be skilled enough to handle the animals effectively without harming the animals. To achieve this, regular training programs to be conducted for zoo personal including executive and non-executive staff. Mainly such program gives or increases the capacity of the zoo keepers in handling of animals and for overall management of zoo .

As part of capacity building program or activities Zoo Authority of Karnataka organized the training program for Zoo Veterinary officers, Education officers & Biologists in Mysuru Zoo on 9th to 11th January 2019, with respect to animal nutrition, Anesthesia in wild animals, Disease diagnosis in captive animals & Habitat enrichment.

Sl. No.	Name and designation of zoo personnel	Subject matter of Training	Period of Training	Name of the institution where the training attended
1.	Dr. Prakash Jettennavar Veterinary Officer (I/C) Sri. Nikhil Kulkarni Veterinary Assistant	Recent trends in captive wild animals management a. Animal nutrition in zoos b. Anesthesia in wild animals c. Diseases diagnosis in captive wild animals d. Advance techniques in identification of species, sex & pregnancy detection e. Zoo animal restraining f. Enrichment at Zoos.	09/01/2019 to 11/01/2019	Sri. Chamarajendra Zoological Gardens, Mysore
2.	Sri. Nikhil Kulkarni Veterinary Assistant	Data update in Zoo Authority of Karnataka website	16-04-2019	Sri. Chamarajendra Zoological Gardens, Mysore

Skill Development Training at Mysore Zoo

Inauguration of workshop on Recent trends in captive wild animals management at Mysuru Zoo

Presentation by Resource persons in workshop

10

Zoo Advisory Committee

Overall zoo was managed by the Guidelines/inspection carried out by Chief Wildlife Warden, Karnataka and Member Secretary, Zoo Authority Karnataka.

11

Health Advisory Committee

Veterinary care in the zoo will be supervised by Veterinary Officer, poly clinic, Gadag District.

12

Statement of income and expenditure of the Zoo

13 Daily Feed Schedule of Animals

Sl. No.	Species	Feed item	Season		Day of fasting
			Winter	Summer	
1.	Herbivore	Vegetables, Concentrates, Grains	-		No Fasting, Fed Twice Daily
2.	Carnivores	Beef and Chicken	-		Fed Once in day, Tuesday Fasting
3.	Birds	Vegetables, Concentrates, Grains, Fish's	Seasonal Fruits		No Fasting, Fed Twice Daily
4.	Crocodiles	Fish and Beef	-		Once in 10 days
5.	Snakes	Live Fowls, Rabbits	-		Once in 15 days

14 Vaccination Schedule of Animals

Sl. No.	Species	Disease Vaccinated for	Name the Vaccine and dosage/quantity used	Periodicity	Remarks
1.	Panthera pardus	Rabies	Rabigen (1 ml)	1 year	
2.	Panthera pardus	Feline RCP	Feligen RCP (1 ml)	1 year	

15 De-worming Schedule of animals

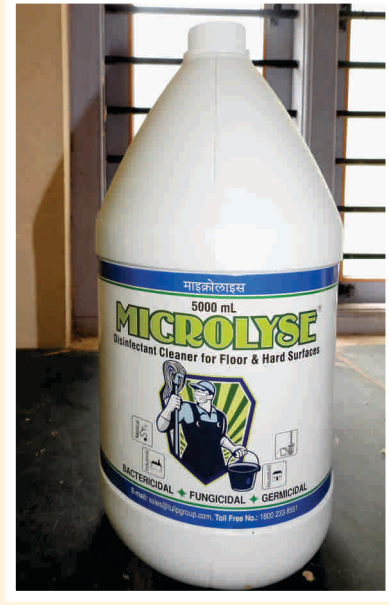

Sl. No.	Species	Drug used	Month
1.	Leopard, Sloth Bear Jackal, Civet Cat	Fenbendazole, Niclosamide Oxyclosanide, Ivermectin	May, August November, February
2.	Spotted Deer, Sambar Deer Black Buck, Nilgai	Fenbendazole, Levamisole Oxyclosanide, Ivermectin	May, August November, February
3.	Black Swan, Night Heron Lady Amherest's pheasant Java Sparrow, Rose Ringed Parakeet Budgerigar, Red Jungle Fowl Scarlet Ibis, Brahminy Kite Black Kite, Golden Pheasant Silver Pheasant, Yellow Golden Pheasant Goose White, Ring Necked Parrot Peafowl&Peafowl White, Rosy Pelican, Painted Stork, Peach Faced Lovebird Emu&Yellow, Golden Pheasant, Finches	Levamisole Fenbendazole Levamisole Fenbendazole	May August November February
4.	Red Eared Slider, Indian Rock Python Crocodile Marsh	Fenbendazole, Albendazole Fenbendazole, Fenbendazole	May, August November, February

16

Disinfection Schedule

Sl. No.	Species	Type of Enclosure	Disinfectant used and method	Frequency of Disinfection
1.	Leopard	Open enclosure + Closed holding house	ViraCid : S, Method : Spraying Microlyse, Method : Mop	(Once in 3 month) (Daily)
2.	Sloth Bear	Open enclosure + Closed holding house	ViraCid : S, Method : Spraying Microlyse, Method : Mop	(Once in 3 month) (Daily)
3.	Jackal	Open enclosure	ViraCid-S , Method: Spraying	(Once in 3 month)
4.	Black Buck , Sambar Deer Nilgai, Spotted Deer	Open enclosure	ViraCid-S Method: Spraying	(Once in 3 month)
5.	Walk through Aviary (Night Heron, Rosy Pelican, Painted Stork, Red Jungle Fowl, Peafowl, Rose Ringed parakeet, Black Swan, Scarlet Ibis), Peasantry (Golden Pheasant, Silver pheasant, Yellow golden pheasant, Lady Amherst's pheasant), Small aviary (Java sparrow, Peach faced love bird, Budgerigar, Cockatiel, Finches), Brahminy Kite, Black Kite.	Open enclosure	ViraCid-S Method: Spraying	(Once in 3 month)
6.	Emu	Open enclosure	ViraCid-S Method: Spraying	(Once in 3 month)
7.	Red Eared Slider, Flap shelled turtle, Goose White, Graylag Goose	Open enclosure	ViraCid-S Method: Spraying	(Once in 3 month)
8.	Crocodile Marsh	Open enclosure	ViraCid-S Method: Spraying	(Once in 3 month)

17

Health Check-up of Employees for Zoonotic Diseases

Health check-up of zoo employees were regularly carried out for general check-up and maintained correct health of employees

18

Development Works Carried out in the Zoo During the Year

New Open Theatre

New Zoo Hospital

New Ostrich Enclosure

New GSLR TankK

Other Developmental Works

Barbed wire Fencing

Drip Irrigation system

Natural Barricade

19

Education and Awareness Programmes during the year

Inaguration of 64th Wildlife Week 2018

Active participation of school children in identification & painting competition

Active participation of school children in quiz competition

Valedictory function of 64th Wildlife Week

Zoo awareness programs for school children : In reach programs

Zoo awareness programs for school children : Out reach programs

Zoo awareness programs for School Children : Outreach Programs

20 Important Events and Happenings in the Zoo

Celebration of World Sparrow Day, Water Day & Forest Day

Celebration of Global Tiger Day on 29-07-2018

Unit Officers meeting of Zoo Authority of Karnataka held on 21/09/2018 at Gadag Zoo

“Summer camp organized at Gadag zoo”

Summer zoo camp was conducted for school children of various schools. School children were briefed about “Role of school children in Wild Life Conservation”, Peculiar behaviours of zoo animals. As part of sparrow conservation move Nesting boxes were distributed to all children.

Zoo Management Training for Trainees of Karnataka State Forest Academy, Gungaragatti

Final year BSc Forestry student's two days internship @ Gadag zoo

One day Zoo Study tour of 1st year BVSc & AH Students of Gadag Veterinary college @ Gadag Zoo

Uniform distribution to the zoo staff by Sri Ravi B. P. IFS, MS,ZAK

21 Seasonal Special Arrangements for Upkeep of Animals

Sprinklers at various enclosures & covering the enclosure with shade net to reduce summer stress

Summer Management

Feeding Enrichment @ Sloth Bear Enclosure

22 Research Work carried out and publications

As of now no research work has been carried out.

23 Conservation Breeding Programme of the Zoo

Till now conservation breeding program not initiated in the zoo.

24 Animal acquisition / Transfer Exchange during the year

With the prior approval from governing council of Zoo authority of Karnataka the following birds were acquired Sri Chamarajendra Zoological Gardens, Mysore

Sl. No.	Name of Species	No's	From which Zoo	Date of Arrival
1.	Black swan	1:1	Sri Chamarajendra Zoological Gardens, Mysore*	14/02/2019
2.	Lady Amherst Pheasant	1:1		
3.	Golden pheasant	1:1		
4.	Budgerigar	5:5		
5.	Finches	6 Nos.		
6.	Scarlet ibis	1:1		
7.	Yellow golden pheasant	1:1		
8.	Java sparrow	6 Nos.		

* Office of the Executive Director, Sri Chamarajendra Zoological Gardens, Mysore Letter No: MZA/AE/GADAG/ZOO/SA/1225/2018-19 Dated : 12/02/2019

25

Rescue and Rehabilitation of the wild animals carried out

No rescue operations were carried out during the year

26
