Report of the Officer incharge

Dear Readers,

Rohtak zoo was started as mini zoo in 1986. After the existence of CZA the zoo was to be not fulfilling the norms of CZA. Its renovation was started 2008 but could not be completed due to unavoidable circumstances.

As conservation education is the main objective of the zoos, we also organize various educational programmes to reach as many people as possible.

As per the approved Master Plan of the Zoo enclosures are being constructed. Our main focus is on providing good hygienic condition to all animals and breeding programme of tiger.

During 2023-24 the zoo has been facilitated with entry of our new member Indian Grey Wolf, Silver Pheasant, Tiger, Hyena, Gharial, Asiatic Lion, Four Horned Antelope and Himalayan Gorals.

During the previous year Construction of Gharial Enclosure, Turtle Enclosure, Tortoise Enclosure, Post Mortem Room, Link Service paths. Moreover, plantation work has been done for the beatification of zoo.

We have successfully provided good facilities to zoo animals and visitors. I take this opportunity to thank everyone who has dedicated their time and hard work supporting me towards the development of the zoo.

2. **History of the Zoo** – Rohtak Zoo was established in the year 1986 on an area of 7.20 hectares (10 acres) of Tilyar Tourist Complex Rohtak. It is located on the right side on Delhi Rohtak road about 70 Km from New Delhi in Rohtak city. Later on 44 acres of land was transferred from Tourism Department Haryana for the renovation of Rohtak Zoo. The renovation works are still going on and these will take another one or two years to be completed

3. Vision:

To create awareness about our rich fauna among general public and develop a healthy relationship between animals and human beings for maintaining ecological balance.

4. Mission-

The Rohtak Zoo is located at a very prestigious and important spot on National Highway No. 1 80 km from New Delhi and about 250 km from Chandigarh in Distt. This Zoo has been upgraded/renovated during 2013 to 2015. Rohtak Zoo is very beautifully designed and renovated. Some works proposed in Master Plan to be completed. Moreover, a large number of local tourists visit this zoo. Our mission is to maintain the zoo and complete the remaining works mentioned in the Master Plan.
