F. No. 19-120/93-CZA(15)(NS)/1486/2019

Date : 23.09.2019

To,

The Chief Wildlife Warden,
Government of Telangana,
Department of Environment,
Forests, Science and Technology,
Aranya Bhavan, Saifabad,
Hyderabad - 500 004, Telangana.
(Email: cwlwts@gmail.com)

Sub:- Renewal of recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana for period beyond 28.09.2019 under Section 38H(1) of the Wildlife (Protection) Act, 1972 – reg.

Ref:-

1. This office letter F. No. 19-120/93-CZA -CZA(15)(NS)/066/2019, dated 09.01.2019.
2. Letter no. 1455/S3/2003, dated 25.05.2019 received from the District Forest Officer, Mahabubnagar.

Sir,

Reference is invited to above cited correspondences. It is to inform that the compliance report of the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana was considered by the Technical Committee in its 90th Meeting held on 06.06.2019. After detailed deliberations, the Technical Committee recommended to the CZA for renewal of recognition of the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana for a period of one year.

The recommendations of the 90th meeting of the Technical Committee held on 06.06.2019 were placed before the Central Zoo Authority in its 35th Meeting held on 29.08.2019. The Authority approved the recommendation of the Technical Committee and decided to grant renewal of recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana under Section 38H(1) of the Wildlife (Protection) Act, 1972.

The renewal of recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana as a "Mini Category Zoo" as per the provisions of Section 38H(1) of the Wild Life (Protection) Act, 1972 is for a period up to 28.08.2020 subject to the compliance of the following directives under the **Recognition of Zoo Rules (RZR), 2009** and mid-term evaluation:-

Cont...

Sr. No	Norm No.	Particulars of suggestions/recommendation	Time Period to Comply
1. General requirements			
1	10.1(4)	Inspection path should be laid along the perimeter wall of the zoo.	Immediately
2	10.1 (5)	Aquarium pertaining to the Fisheries Department is operating within Deer Park premises. The Aquarium and fish tanks should be separated from the Deer Park by a perimeter wall of two meter wall from the ground level on both sides with independent entry / exit.	Two months
2. Administrative and staffing pattern			
3	10.2(1)	The zoo should have a full time officer-in-charge with adequate financial and administrative powers for day to day management of the Zoo. The present FSO given charge of the Zoo is an Engineer without any kind of administrative and financial powers. Also, no qualified person to assist the In-charge of the Zoo.	Immediately
4	10.2(2)	A qualified person available locally should be deputed to assist the In-Charge of the Zoo.	Immediately

23	10.7(2)	Post-mortem findings should be recorded in format prescribed by the Central Zoo Authority.	As reported documentary evidence should be submitted immediately
24	10.7(2)	The Post-mortem Report is not produced during evaluation for dead animals recorded in the Animal Stock Register of the Zoo and reported in the Annual Inventory of animals for year 2017-18. The Zoo Operator should produce the Report to the CZA.	Immediately

Cont...

9. Acquisition and Breeding of animals			
25	10.9(2)	The Animal Stock Register produced indicate acquisition of animals namely Red jungle fowl, Rose ringed parakeet and Budgerigars from the Nehru Zoological Park, Hyderabad on 22.08.2014. However, failed to produce proof of approval from the CZA. The Zoo Operator should explain this to the CZA.	Immediately
26	10.9(9)	The Zoo should limit the number of animals particularly of Spotted deer. As per the directives of the CZA in the 'Guidelines for setting up of Deer Parks', adopted by the CZA in its 6 th Meeting on 8 th November, 1993, three animals can be housed per acre. The Zoo should submit a proposal to the CZA for transfer of surplus stock to other recognised zoo or to release in the wild following prescribed norms and Guidelines in this regard.	Immediately
27	10.9(11)	The health of the rescued wild animals should be screened and if found fit, should be released in the wild at the earliest possible following the protocol in this regard in consultation with the Chief Wildlife Warden of the State and the approval of the CZA.	As reported documentary evidence should be submitted immediately
12. Visitors' facilities			
28	10.12(1) & 10.3(3)	Since 'Children facilities/ amenities' are available immediately outside this campus of Forest Department owned land at this area, these facilities noticed inside the Mini Zoo area nearby may be shifted to some other site.	Immediately
Rule 11. Maintenance of Records and submission of inventory			
29	11(1)	It is observed that animals namely Indian Cobra (0:0:1), Rat Snake (0:0:2), Russells Viper (0:0:2), Indian Sand grouse (0:0:3), Grey headed love bird (6:6) and Budgerigar (7:7) reported in the Annual Inventory for 2017-18 found missing during evaluation. No records produced either for disposal or death. The Zoo Operator should submit a report to the CZA in this regard. Animal Stock Register should be maintained promptly.	Immediately.
30	11(1)	It is observed that number of animals namely Peafowl (3:3 present during evaluation / 5:3 in Inventory), Red Jungle fowl (2:2 / 4:4), Indian Star Tortoise (0:0:1 / 0:0:3), Cockatiel (0:0:5 / 3:3) and Silver Pheasant (1:1 / 1:2) respectively differ from the Annual Inventory submitted by the Zoo for year 2017-18. However, no justification provided for the difference. The Zoo Operator should submit a report to the CZA in this regard.	Immediately.
31	11(1)	The Animal Stock Register produced during evaluation is not in proper form and also not updated since long. It should be updated.	As reported documentary evidence should be submitted immediately
32	11(1)	Though the Zoo is housing endangered species, Quarterly Inventory of animals is not being submitted to the CZA. It should be submitted.	Immediately.
33	11(2)	The Annual Report of the Zoo for year 2017-18 and 2018-19 has not been submitted to the CZA. It should be submitted.	Immediately.

Cont...

A time bound compliance report regarding progress made in implementation of the aforesaid conditions should be submitted to the Central Zoo Authority within 30 days of the date of issue of this letter and half yearly compliance report should also be submitted subsequently.

The renewal of recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana for period beyond 28.08.2020 as a "Mini Category Zoo" would be considered on the basis of compliance of the conditions stated above and general performance of the zoo.

The recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana shall be revoked by the Central Zoo Authority, at any point of time, if the, Zoo Operator is found not complying with the stipulated conditions.

Yours Sincerely,

(Dr. S.P. Yadav)

1. This office letter F. No. 19-120/93-CZA -CZA(15)(BKG)/2678/2016, dated 23.09.2016.
2. This office letter no. 19-149/93-CZA(22)(AK)/4381/2018, dated 12.09.2018.

Sir,

Reference is invited to above cited correspondences. It is to inform that the evaluation of Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana was carried out by Mr. Ajay Kumar, EMA, Central Zoo Authority on 17.09.2018. The evaluation report of the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana was considered by the Technical Committee in its 86th Meeting held on 28.09.2018. After detailed deliberations, the Technical Committee recommended to the CZA for renewal of recognition of the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana for a period of one year. A copy of the evaluation report as submitted by the evaluating officer is enclosed with this letter for your perusal and needful action.

The recommendations of the 86th meeting of the Technical Committee held on 28.09.2018 were placed before the Central Zoo Authority in its 32nd Meeting held on 19.11.2018. The members approved the recommendation of the Technical Committee and decided to grant renewal of recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana under Section 38H(1) of the Wildlife (Protection) Act, 1972.

The renewal of recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana as a "Mini Category Zoo" as per the provisions of Section 38H(1) of the Wild Life (Protection) Act, 1972 is for a period up to 28.09.2019 subject to the compliance of the following directives under the **Recognition of Zoo Rules (RZR), 2009** and mid-term evaluation, and to regularise the period after 23.08.2018:-

-1-

Cont...

Sr. No	Norm No.	Particulars of suggestions/recommendation	Time Period to Comply
1.General requirements			
1	10.1(3)	During evaluation, it is informed that the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar is used for morning walk by public. However, it is a prohibited activity in a zoo. It is in violation of the directives of the CZA in its Circular F.No.7-16/2009-CZA(M) dated 05.07.2010 on "Additional Guidelines incorporating prohibitory provisions for the preparation of Master Plan for the long term development of the Zoos". It should be stopped henceforth.	Immediately
2	10.1(4)	It is observed that at one point of the perimeter wall, outsiders damaged the wall and made arrangement for easy entry and exit into the zoo. It endangers security of the zoo. It should be addressed on priority. Also inspection path should be laid along the perimeter wall of the zoo.	Immediately
3	10.1 (5)	The perimeter wall found to be less than two meter height from the ground level at few places. Also, it is observed that the Aquarium pertaining to the Fisheries Department is operating within Deer Park premises. The Aquarium and fish tanks should be separated from the Deer Park by a perimeter wall of two meter wall from the ground level on both sides with independent entry / exit.	Two months
4	10.1(6)	The Night Watchman is provided a Room in between Animal Feed Store and Scarp Store cum Isolation area for rescued wild animals. No residential area within zoo premises.	Two months
5	10.1(7)	It is observed that solid waste generated from animal enclosures is being dumped at service entry to the animal enclosures leading to unhygienic conditions. Also, plastic waste observed around animal enclosures. Also observed burning of solid waste near animal enclosures. Efficient disposal of solid waste should be made. Also provision of drainage for liquid waste should be made.	Three months
6	10.1(8)	It is observed that a Blackbuck with rope tied to its neck to ensure safety of workers carrying out repair work in the zoo. However display of tethered animals to public is a violation. Instead, secondary holding area should be constructed in the enclosure.	Six months
7	10.1(9)	Thoroughfare of domestic dogs is observed in the zoo. It should be strictly controlled. No domestic / stray animal shall enter Zoo premises.	Immediately
8	10.1(9)	Domestic animals namely Rabbit (0:0:1) and Pigeon (0:0:43) should be removed from the Zoo.	Immediately
2.Administrative and staffing pattern			
9	10.2(1)	The zoo should have a full time officer-in-charge with adequate financial and administrative powers for day to day management of the Zoo. The present FSO given charge of the Zoo is an Engineer without any kind of administrative and financial powers. Also, no qualified person to assist the In-charge of the Zoo.	One year
10	10.2(2)	A qualified person available locally should be deputed to assist the In-Charge of the Zoo.	Three months

3.Development and Planning			
11	10.3(1)	The Zoo Operator should prepare and get the Master Plan approved by the CZA	Three months
12	10.3(3)	It is observed that storm water passes through enclosure for Herbivores. The suitability of the location and safety of animals should be ensured.	Immediately
13	10.3(3)	Fodder plots shall be raised inside or near Deer Park and adequate amounts of grass may be supplied on daily basis to the captive deer of the Deer Park.	Within six months
14	10.3(6)	The Animal Collection Plan should be prepared and be included in Master Plan for approval of the CZA.	Three months
15	10.3(7)	The Zoo should not accept any rescued animal unless it has proper Quarantine facility, housing and upkeep facility.	Immediately
16	10.3(8)	It is observed that since last evaluation, the Zoo has accepted rescued animals for housing [Indian Rock Python (0:0:4), Peafowl (3:1), Marsh crocodile (0:0:1), Blackbuck (1:0), Turtle (0:0:4) and Stork (0:0:1)]. However, neither reported rescue nor produced records during evaluation. In case of rescue of wild animal, a Report should be submitted to CWLW of the State and in case of endangered animal a report shall be submitted to the CZA also. Also observed that rescued animals are being added to the captive animal stock of the Zoo. It should be stopped henceforth.	Immediately
4.Animal housing, display of animals and animal enclosures			
17	10.4(1)	In place of existing one enclosure separate well designed safe enclosure for housing different Deer species as per proposed Collection Plan be included in Master Plan for approval from the CZA.	Six months
18	10.4(2)	The animal enclosures in the Zoo are not according to the design and dimension prescribed by the CZA. The Zoo Operator should endeavour to get approval of the Master Plan at the earliest and enclosures be modified as per minimum prescribed standard.	Six months
19	10.4(3)	Plastic waste found in the enclosure for Marsh Crocodile should be removed.	Immediately
20	10.4(3)	The numerous metallic objects not in use are dumped in the animal enclosure for Herbivores. It should be removed.	Immediately
21	10.4 (3)	Dry well inside the enclosure may be covered to avoid injuries to deer. Also, electric cables and poles in the enclosure for herbivores should be removed.	With immediate effect
22	10.4(7)	The animal enclosures do not have screening of plantation in between them. It should be rectified.	Six months
23	10.4(8)	The Zoo Operator constructed enclosures to house endangered species without obtaining approval of design from the CZA. The Zoo Operator should refrain from construction of enclosure for endangered species without approval of design from the CZA.	With immediate effect
24	10.4(9)	The stand-off barrier is absent in case of enclosure for Marsh crocodile. stand-off barrier along with hedge plantation should be provided of dimension prescribed by the CZA.	Immediately

25	10.4 (10)	Sign boards and animal housed does not match. Signboards at enclosures need to be thoroughly revised displaying scientific and ecological information regarding animals exhibited therein, in bilingual form.	Three months
5.Upkeep and healthcare of animals			
26	10.5(2)	Diet Schedule of animals is not prepared. It should be prepared and implemented.	Immediately
27	10.5(2)	Feed storage: More protective measures pertaining to the storage of feed items (concentrates for deer) shall be undertaken and rodent control measures need to be strengthened.	Immediately
28	10.5(2)	The food and water samples should be got tested periodically randomly and records should be maintained.	One month
29	10.5(4)	To protect the deer inside the deer park, though large sized vegetations were noticed yielding shade-value to the cervids, a shelter shall be placed or constructed inside the Deer Park in order to protect the deer against inclement weather, rain etc.	Within three months
30	10.5(5)	Shed antlers should be disposed in consultation with the Chief Wildlife Warden of the State.	Immediately
31	10.5(6)	There is no periodic visit and observation of captive animals by the Veterinarian. The Zoo Operator should sign MoU with the AHD and ensure regular observation of captive animals by a Veterinarian with training in treating wild animals.	Immediately
32	10.5(8)	Fecal samples of captive deer should be sent to reputed veterinary institution and results need to be affixed in the treatment record to be maintained with details.	Within two years
33	10.5(9)	The staff involved in the upkeep and healthcare of animals should be screened against zoonotic diseases at least once every year and records should be maintained.	One month
34	10.5(10)	In the absence of records, the legality of acquisition of any of the animals housed in the Zoo could not be ascertained. The Zoo Operator should prepare and use Animal History Card, Keeper's Diary, Daily Report and Animal Treatment Card in the form prescribed by the CZA.	One month
6.Veterinary and infrastructure facilities			
35	10.6(1c)	Presently, captive animals are being carried to the nearest Veterinary Hospital of the Animal Husbandry Department for treatment and in case of death for Post-mortem examination. A Treatment Room for animals with basic facilities should be constructed in the Zoo.	Six months
36	10.6(3)	A Quarantine enclosure away from other animal enclosures should be constructed to house newly arrived animals.	Immediately
37	10.6(3)	Well equipped Post-mortem Room should be constructed.	One year
7.Post-mortem and disposal of carcasses of animals			
38	10.7(2)	Post-mortem findings should be recorded in format prescribed by the Central Zoo Authority.	Immediately
39	10.7(2)	The Post-mortem Report is not produced during evaluation for dead animals recorded in the Animal Stock Register of the Zoo and reported in the Annual Inventory of animals for year 2017-18. The Zoo Operator should produce the Report to the CZA.	Immediately

9.Acquisition and Breeding of animals			
40	10.9(2)	The Animal Stock Register produced indicate acquisition of animals namely Red jungle fowl, Rose ringed parakeet and Budgerigars from the Nehru Zoological Park, Hyderabad on 22.08.2014. However, failed to produce proof of approval from the CZA. The Zoo Operator should explain this to the CZA.	Immediately
41	10.9(9)	The Zoo should limit the number of animals particularly of Spotted deer. As per the directives of the CZA in the 'Guidelines for setting up of Deer Parks', adopted by the CZA in its 6 th Meeting on 8 th November, 1993, three animals can be housed per acre. The Zoo should submit a proposal to the CZA for transfer of surplus stock to other recognised zoo or to release in the wild following prescribed norms and Guidelines in this regard.	Immediately
42	10.9(11)	The health of the rescued wild animals should be screened and if found fit, should be released in the wild at the earliest possible following the protocol in this regard in consultation with the Chief Wildlife Warden of the State and the approval of the CZA.	Immediately
11.Education and Outreach activities			
43	10.11(1)	The Zoo Operator should ensure that visitors to the zoo are educated about significance of wildlife conservation by preparing Annual Education Calendar.	Immediately
12.Visitors' facilities			
44	10.12(1)	Hygiene in the public toilets on the Zoo campus should be ensured.	Immediately
45	10.12(1) & 10.3(3)	Since 'Children facilities/ amenities' are available immediately outside this campus of Forest Department owned land at this area, these facilities noticed inside the Mini Zoo area nearby may be shifted to some other site.	Three months
46	10.12(2)	Necessary drugs for animals and first aid kit for staff and visitors along with anti venom serum should be placed in the zoo.	With immediate effect
47	10.12(3)	Wheelchairs be procured and ramps should be made to facilitate <i>Divyangjan</i> among the visitors.	Six months
Rule 11.Maintenance of Records and submission of inventory			
48	11(1)	It is observed that animals namely Indian Cobra (0:0:1), Rat Snake (0:0:2), Russells Viper (0:0:2), Indian Sand grouse (0:0:3), Grey headed love bird (6:6) and Budgerigar (7:7) reported in the Annual Inventory for 2017-18 found missing during evaluation. No records produced either for disposal or death. The Zoo Operator should submit a report to the CZA in this regard. Animal Stock Register should be maintained promptly.	Immediately.
49	11(1)	It is observed that number of animals namely Peafowl (3:3 present during evaluation / 5:3 in Inventory), Red Jungle fowl (2:2 / 4:4), Indian Star Tortoise (0:0:1 / 0:0:3), Cockatiel (0:0:5 / 3:3) and Silver Pheasant (1:1 / 1:2) respectively differ from the Annual Inventory submitted by the Zoo for year 2017-18. However, no justification provided for the difference. The Zoo Operator should submit a report to the CZA in this regard.	Immediately.

50	11(1)	The Animal Stock Register produced during evaluation is not in proper form and also not updated since long. It should be updated.	Immediately.
51	11(1)	Though the Zoo is housing endangered species, Quarterly Inventory of animals is not being submitted to the CZA. It should be submitted.	Immediately.
52	11(2)	The Annual Report of the Zoo for year 2017-18 has not been submitted to the CZA. It should be submitted.	Immediately.

A half yearly report regarding progress made in implementation of the aforesaid conditions should be submitted to the Central Zoo Authority.

The renewal of recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana for period beyond 28.09.2019 as a "Mini Category Zoo" would be considered on the basis of compliance of the conditions stated above and general performance of the zoo.

The recognition to the Pillalamarri Mini Zoo and Deer Park, Mahbubnagar, Telangana shall be revoked by the Central Zoo Authority, at any point of time if the Zoo Operator is found not complying with the stipulated conditions.

Yours sincerely

F. No. 19-120/93-CZA(15)(M) / 3066

DATE: 24.06.2013

To

The Divisional Forest Officer
Mahaboob Nagar Forest Division,
Mahaboob Nagar – 509 001

Sub:- Renewal of recognition to Pillalamarri Deer Park, Mahabubnagar under Section 38H of the Wild Life (Protection) Act, 1972 beyond the period of 31.07.2012.

Sir,

Reference is invited to your letter No. 1455/S3/2003 dated 07.07.2012 seeking renewal to Pillalamarri Deer Park, Mahabubnagar under Section 38H of the Wild Life (Protection) Act, 1972 beyond the period of 31.07.2012.

The evaluation of the Pillalamarri Deer Park, Mahabubnagar was carried out by Dr. M. G. Jyathangaraj on 23.03.2013 & 24.03.2013. The evaluation report of Pillalamarri Deer Park, Mahabubnagar as submitted by the evaluating officers was considered by the Technical Committee in its 66th Meeting held on 11th June, 2013.

The Central Zoo Authority has decided to grant of recognition to Pillalamarri Deer Park, Mahabubnagar as "a Mini Category Zoo" under Section 38H of the Wild Life (Protection) Act, for a period up to 31.07.2014 subject to the compliance of the following directives under the Recognition of Zoo Rules, 2009 and mid-term evaluation of the zoo:-

S. No.	Norm No.	Condition Stipulated	Time Period to Comply
2. Administrative and Staffing Pattern			
1.	2	One number of guard on permanent basis shall be posted at Pillalamarri Deer Park.	Within one year
3. Development and Planning			
2.	5	Currently two unused dormitory halls for men and women are available and used temporarily to accommodate new animal or therapy or post-mortem, as said. This	Within one year

[Handwritten signature]

		may be modified by partitions and separate treatment room, post-mortem room and store room shall be established. Isolation room shall be a separate one.	
4. Animal housing, display of animals and animal enclosures			
3.	3	To protect the deer inside the deer park, though large sized vegetations were noticed yielding shade-value to the cervids, a shelter shall be placed or constructed inside the Deer Park in order to protect the deer against inclement weather, rain etc.	Within three months
4.	-	Feed storage: More protective measures pertaining to the monthly storage of feed items (concentrates for deer) shall be undertaken and rodent control measures need to be strengthened.	Immediately
5. Upkeep and healthcare of animals			
5.	8	Fecal samples of captive deer should be sent to reputed veterinary institution and results need to be affixed in the treatment record to be maintained with details.	Within two years
6.	9	Associated staff of Deer Park shall be screened against zoonotic diseases once in year.	With immediate effect
7.	-	Fodder plots shall be raised inside or near deer park and adequate amounts of grass may be supplied on daily basis to the captive deer of the Deer Park.	Within six months
6. Veterinary and infrastructure facility			
8.		Treatment room needs to be improved with basic facilities.	Within six months
12. Visitors facilities			
9.	1	Currently though more than one lakh visitors are said to be visiting this Deer Park, there is no ticket based entry. To prevent financial loss, entry fee shall be collected by installation of electronics-based ticketing/ accounting - machines and this can be done in consultation with Principal Chief Conservator of Forests (Wildlife), Andhra Pradesh. Currently no visitor note is available.	Within six months
10.	1	Since 'Children facilities/ amenities' are available immediately outside this campus of Forest Department owned land at this	Within one year

		area, these facilities noticed inside the Mini Zoo area nearby may be shifted to some other site. However, this needs consultation with Principal Chief Conservator of Forests (Wildlife), Andhra Pradesh for a final decision, in this regard.	
11.	1	Arrangement for providing access to handicapped persons for viewing of wild fauna shall be considered.	Within one year

A half yearly report regarding progress made in implementation of the aforesaid conditions should be submitted to the Central Zoo Authority.

Grant of recognition to Pillalamarri Deer Park, Mahabubnagar beyond 31.07.2014 as "a Mini Category Zoo" would be considered on the basis of compliance of the conditions stated above and general performance of the zoo.

The recognition to the Pillalamarri Deer Park, Mahabubnagar shall be revoked by the Central Zoo Authority, at any point of time if the Zoo Operator is found not complying with the stipulated conditions.

A copy of evaluation report is also enclosed herewith for your ready reference to improve the conditions of Zoo.

Yours faithfully,

(B. S. Bonal)
Member Secretary
