4. Application vide letter No.5/4/2016-WL:/508 dated September 10, 2019 from the Director, Manipur Zoological Garden

Sir,

With reference to above, the undersigned is directed to inform that recognition of the Manipur Zoological Garden, Iroisemba under Section 38-H of the Wild Life (Protection) Act, 1972, was valid till January 20, 2019. Application dated September 10, 2019 received in this office from the Director, Manipur Zoological Garden, for renewal of recognition. Shri Azam Zaidi, IFS (Retired), evaluating officer deputed by this office has evaluated the zoo on January 20 to 22, 2020. Copy of the Evaluation Report is enclosed herewith for your perusal and needful action.

2. Evaluation Report of the Manipur Zoological Garden, Iroisemba was placed before the Technical Committee in its 96th Meeting held on July 30, 2020. The Technical Committee, after detailed deliberation, made its recommendation to the Central Zoo Authority.

3. This office issued Office Memorandum F.No.7-10/2020-CZA(PART-I) dated August 25, 2020 regarding renewal of recognition of the zoo. Subsequently, the Central Zoo Authority, in its 37th Meeting held on December 7, 2020, in exercise of powers conferred under sub-section (1), (3) and (4) of Section 38-H under the Wild Life (Protection) Act, 1972, approved recommendation of the Technical Committee.

4. The Central Zoo Authority has regularised the period after January 20, 2019 and renewed recognition of the Manipur Zoological Garden, Iroisemba as a Medium Zoo for a period up to **August 19, 2022** subject to compliance with following conditions as per the Recognition of Zoo Rules, 2009 (RZR) and mid-term evaluation of the zoo.

Sl.	Norm No. under RZR	Condition	Time period to comply
1. General requirements:			
1	10.1(4)	Boundary wall should be strengthened by increasing wall height particularly on piggery farm side.	One year
2	10.1(7)	Construction of drainage system and solid waste disposal should be improved.	One to two years
2. Administrative and staffing pattern:			
3	10.2(2)	Placement of scientific and technical staff as applicable under the Rules should be done to carry out biological and behavioural study in the zoo.	One year
3. Development and Planning:			
4	10.3(3)	Area of zoo to be increased.	Two years
4. Animal housing, display of animals and animal enclosures:			
5	10.4(2)	Repair and up-gradation of enclosures should be carried out.	Two years
6	10.4(3)	CCTV cameras should be installed in the zoo.	Six months
5. Upkeep and healthcare of animals:			
7	10.5(2)	Food storage, preservation and hygiene facilities should be provided.	Six months
6. Veterinary and infrastructure facilities:			
8	10.6(1)	Proper running of Zoo hospital should be ensured.	Six months

5. A compliance report to the Central Zoo Authority on implementation of the aforesaid conditions shall be submitted by the zoo within three months of issue of this letter followed by half-yearly report.

6. The renewal of recognition of the Manipur Zoological Garden, Iroisemba for period beyond August 19, 2022 as a Medium Zoo would be considered on the basis of compliance of the conditions stated above and general performance of the zoo.

7. The recognition of the Manipur Zoological Garden, Iroisemba shall be revoked by the Central Zoo Authority at any point of time if the Zoo Operator is found not complying with the stipulated conditions.

This issues with approval of the competent authority.

Encls. As above

Yours sincerely

(Sonali Ghosh)

Upd

Sub:- Renewal of recognition to Manipur Zoological Gardens, Imphal, Manipur under Section 38H of the Wild Life (Protection) Act, 1972 beyond the period of 28.02.2014.

Sir,

Reference is invited to letter No. 3/17/2006-WL:/968 dated 17.01.2014 received in this office on 29.01.2014 seeking grant of renewal of recognition to Manipur Zoological Gardens, Imphal for the period beyond 28.02.2014.

The evaluation of the Manipur Zoological Gardens, Imphal was carried out by Dr. M. L. Smith and Sh. R. Bhattacharjee on 13.12.2015 and 14.12.2015. The evaluation report of the Manipur Zoological Gardens, Imphal as submitted by the evaluating officers was considered by the Technical Committee in its 77th Meeting held on 20th January, 2016.

The Central Zoo Authority has decided to grant renewal of recognition to Manipur Zoological Gardens, Imphal as 'Medium Zoo' category under Section 38H of the Wild Life (Protection) Act, 1972 for a period up to 20.01.2019 subject to the compliance with the following directives under Rule 10 of Recognition of Zoo Rules, 2009 (Amended in 2013) and mid-term evaluation of the zoo:-

S. No.	Norm No.	Condition Stipulated	Time Period to Comply
Animal housing, display of animals and animal enclosures:			
1.	4.6	Enrichment of all enclosures should be improved in general; the water bird aviary in particular, with earth mound and planting of suitable species.	1 Year
Upkeep and healthcare of animals:			
2.	5.1	Periodic testing of pond water at recognized lab to be conducted.	6 months
3.	5.2 1(a)	Feed supplement should be given to all the deer species round the year as per recommended dose.	Immediate

Contd.....

Veterinary and infrastructure facilities:			
4.	6.1	Priority to be given for a new veterinary hospital and infrastructure conforming to the status of the zoo.	1 Year
	6.1(i)	Advance training to be given to Zoo Vet and officers for immobilization of animals and other management aspects.	1 Year
Acquisition and breeding of animals:			
5.	9.4b	Pairing of Jungle cat, Pelican, Leopard and Hoolock Gibbon to be done with the prior approval of Central Zoo Authority.	1 Year
Visitor facilities:			
	12.3	Ramp in toilets for differently abled visitors should be made available.	1 Year

A half yearly report regarding progress made in implementation of the aforesaid conditions should be submitted to the Central Zoo Authority.

It is to inform that the period ranging from 28.02.2014 to 20.01.2016 is hereby regularized by the Central Zoo Authority.

Grant of renewal of recognition to Manipur Zoological Gardens, Imphal beyond 20th January, 2019 would be considered on the basis of compliance with the conditions stated above and general performance of the zoo.

The recognition to the Manipur Zoological Gardens, Imphal shall be revoked by the Central Zoo Authority, at any point of time if the Zoo Operator is found not complying with the stipulated conditions.

Yours faithfully,

**(Dr. D. N. Singh)
Member Secretary**

REGISTERED POST

F. No. 19-58/93-CZA(190)(Vol.II)(M)

DATE: 11.8.2006

To

The Chief Conservator of Forests (WL)
Government of Manipur,
Imphal.

Sub:- Grant of renewal of recognition to Manipur Zoological Garden, Iroisemba, Imphal, Manipur.

Sir,

Kindly refer to your letter No. 3/49/97-WL dated 28th march, 2000 seeking renewal of recognition to Manipur Zoological Garden, Iroisemba, Imphal, Manipur beyond 31st May, 2000 under Section 38H of the Wild Life (Protection) Act, 1972.

The evaluation report of Manipur Zoological Garden, Iroisemba, Imphal, Manipur as submitted by Shri A. K. Das and Dr. Apurba Chakraborty, was considered by the Technical Committee of the Authority in its meeting held on 21.7.2006.

On the recommendations of the Committee, it has been decided to grant recognition to the Manipur Zoological Garden, Iroisemba, Imphal, Manipur as a Medium Category Zoo under Section 38H (3) of the Wild Life (Protection) Act for a period up to 31.12.2008 subject to compliance of following conditions:-

A. A long-term master plan for the development of the zoo should be prepared and submitted to the Central Zoo Authority by 31.3.2007. A management plan should also be prepared giving details of proposed developmental activities to be taken up during the next plan period. A copy of the management plan should also be submitted to the Central Zoo Authority.

B. Conditions to be complied under Rule 10 of Recognition of Zoo Rules, 1992

S. No.	Rule/ Norms	Condition
GENERAL		
1		The primary objective and goal of the Manipur Zoological Garden, Imphal shall be to exhibit and conserve the animal species found in the North-east India.

...2/-

2.	2	The zoo should not acquire any animal in violation of the Act or Rules made there under. Prior permission of the Central Zoo Authority shall be obtained for acquisition of animals listed under Schedule I & II of the Act.
3.	8	A perimeter wall of atleast 2 meters high from the ground level shall be provided all around the zoo campus. Appropriate measures shall be taken to ward off dogs and other domestic animals from entering into the zoo campus. Preferably, a patrolling path may be provided near perimeter wall for constant monitoring of the security.
4.	11A	The zoo should prepare a collection plan of animals to be housed and displayed in the zoo, keeping due regard to the availability of enclosures in the zoo and availability of the animals of North-east Region in other zoos of the country.
Administrative and Staffing Pattern		
5.	12	One full time Officer In-charge of the zoo should be posted/ appointed. The officer should be delegated administrative and financial powers to purchase feed and medicine and carry out emergency repair of animal enclosures.
6.	13	An official with Masters degree in Wildlife Science should be posted/ appointed as full time Curator solely responsible for looking after the upkeep of animals and maintenance of animal enclosures.
Animal Enclosure – Design, Dimension and Other Features		
7.	15	Stand off barriers and adequate warning signs should be provided at all animal enclosures for keeping the visitors at a safe distance from the animals.
8.	18	Every endangered animal in the Zoo should be provided food inside a feeding cubicle/ retiring cell. The feeding cell/ retiring cubicle/ night shelter of these animals should be of the dimension as specified in <u>Appendix I</u> of the Recognition of Zoo Rules, 1992. Each cubicle should have resting/ feeding/ drinking water and exercising facilities according to the biological need of the species. Proper ventilation and lighting for the comfort and well being of the animals should be provided in each cubicle.
9.	19	Proper arrangement of drainage of excess water as well as arrangement for removal excreta and residual water from each cell/ cubicle/ enclosure should be made. Wherever possible soak pits should be provided.

10.	20	Designing of any new enclosures for endangered species shall be finalized with approval of the Central Zoo Authority.
Hygiene, Feeding and Upkeep of Animals		
11.	22	Proper waste disposal system for treating both the solid and liquid wastes generated in the Zoo should be provided.
12.	23	Leftover food items, animal excreta and rubbish should be removed from each enclosure daily and disposed off in a manner congenial to the general cleanliness of the Zoo.
13.	24	Round the clock supply of potable water for drinking purposes in each cell/ cubicle/ enclosure should be made.
14.	25	A schedule for periodic disinfection of each animal enclosure in the Zoo should be made and implemented as per the directions of the veterinary officer. Phenol based disinfectants should not be used in the animal enclosures.
Animal Care Health and Treatment		
15.	26	The Zoo Keepers and the Supervisory level staff should be deputed for regular training programmes being conducted by the Assam State Zoo, Guwahati and the Wildlife Institute of India, Dehradun.
16.	27	The condition and health of all the animals in the Zoo should be checked everyday by the person In-charge of their care. Any animal found sick, injured or unduly stressed, the matter should be reported to the Veterinary Officer for providing treatment expeditiously.
17.	28	Routine examination of all the zoo animals, including parasite checks should be carried out regularly and preventive medicines including vaccination should be administered at such intervals as may be prescribed by the Veterinary Officer.
18.	29	The Zoo Operator should arrange for medical check up of all the staff responsible for upkeep of animals atleast once in every six months.
Veterinary Facilities		
19.	31	The zoo shall provide a full fledged veterinary unit with basic diagnostic facilities, comprehensive range of drugs and a reference library on animal healthcare and upkeep. The veterinary unit should have isolation and quarantine wards to take care of newly arriving animals and sick animals so as to minimize the chances of infections spreading to other animals to the zoo.
20.	31A	The zoo should provide one qualified lab assistant/ compounder for assisting the veterinary officer in healthcare of zoo animals.
21.	32	The zoo should have adequate number of squeeze cages, for restraining and handling of wild animals.

22.	35	Proper facility for disposal of carcasses without affecting the hygiene of the zoo should be made. Carcasses of large cats should be disposed off only by burning in the presence of Director of the zoo or an officer not below the rank of a Curator duly authorised by the Director.
Breeding of Animals		
23.	36	The zoo should keep in its collection only such number of animals and such species for which appropriate housing facility exists. The Zoo Operator shall be responsible for ensuring that the number of animals of any species does not go beyond the holding capacity of the enclosures available in the Zoo and the housing standards are not compromised for keeping the excessive numbers.
24.	37	The zoo operators should take necessary steps for providing mates to the single animals like Serow, Jungle cat and Goral.
25.	40	To safeguard against uncontrolled growth in the population of Spotted and sambar, the Zoo Operators should implement appropriate population control measures like vasectomy etc.
Maintenance of Records and submission of Inventory to the Central Zoo Authority		
26.	44	The Zoo should submit an annual report of the activities of the Zoo in respect of each financial year to the Central Zoo Authority.
Education and Research		
27.	45	Every enclosure in the zoo should bear a sign board displaying scientific information regarding the animals exhibited in it.
28.	46	The zoo should publish leaflets, brochures and guide books and make the same available to the visitors either free of cost or at a reasonable price.
29.	47	Arrangements for recording in writing detailed observations about the biological behaviour, population dynamics and veterinary care of the animals exhibited in the zoo shall be made and the detailed database developed. The database should be exchanged with other zoos as well as the Central Zoo Authority.
Visitor Facilities		
30.	48	More number of toilets, visitor sheds and drinking water points at different locations in the zoo should be provided for use of visitors.
31.	50	Necessary arrangements should be made to provide access to the zoo to disabled visitors including those in wheel chairs.

A half yearly report regarding progress made in implementation of the aforesaid conditions should be submitted to the Central Zoo Authority.

Grant of renewal of recognition to Manipur Zoological Garden, Iroisemba, Imphal, Manipur beyond 31.12.2008 will be considered on the basis of compliance of the conditions stated above and general performance of the zoo at that point of time. The recognition to the Zoo can be revoked by the Central Zoo Authority, at any point of time if the zoo operator is found not complying with the stipulations under the Act and the Rules made there under.

Yours faithfully,
sd/-
