4. Application vide letter No.DIR/NZP/Gen-1/19/809 dated January 15, 2021 from the Director, Nagaland Zoological Park, Rangapahar

Sir,

With reference to above, the undersigned is directed to inform that recognition of the Nagaland Zoological Park, Rangapahar under Section 38-H of the Wild Life (Protection) Act, 1972, was valid till August 23, 2019. Application vide letter dated January 15, 2021 received in this office from the Director, Nagaland Zoological Park, Rangapahar, for renewal of recognition. Dr. R.K. Singh, IFS (Retired), evaluating officer deputed by this office has evaluated the zoo on February 1 and 2, 2020. Copy of the Evaluation Report is enclosed herewith for your perusal and needful action.

2. Evaluation Report of the Nagaland Zoological Park, Rangapahar was placed before the Technical Committee in its 96<sup>th</sup> Meeting held on July 30, 2020. The Technical Committee, after detailed deliberation, made its recommendation to the Central Zoo Authority.

3. This office issued Office Memorandum F.No.7-10/2020-CZA(PART-I) dated August 25, 2020 regarding renewal of recognition of the zoo. Subsequently, the Central Zoo Authority, in its 37<sup>th</sup> Meeting held on December 7, 2020, in exercise of powers conferred under sub-section (1), (3) and (4) of Section 38-H under the Wild Life (Protection) Act, 1972, approved recommendation of the Technical Committee.

4. The Central Zoo Authority has regularised the period after August 23, 2019 and renewed recognition of the Nagaland Zoological Park, Rangapahar as a Medium Zoo for a period up to **August 19, 2022** subject to compliance with following conditions as per the Recognition of Zoo Rules, 2009 (RZR) and mid-term evaluation of the zoo.

Sl.	Norm No. under RZR	Condition	Time period to comply
<b>3. Development and Planning:</b>			
1	10.3(3)	Adequate budget should be provided for maintenance of infrastructure in the zoo.	One year
2	10.3(7)	Designated off-display area with enclosures of prescribed design and dimension should be made available to house rescued wild animals admitted by the zoo.	One year
<b>4. Animal housing, display of animals and animal enclosures:</b>			
3	10.4(10)	Faded signage at many animal enclosures should be replaced with new ones and with detailed information.	Six months
<b>5. Upkeep and healthcare of animals:</b>			
4	10.5(2)	Separate meat house and kitchen should be constructed at the earliest.	One year
5	10.5(9)	Last health check-up of staff was organised in January 2018. Screening against zoonotic diseases should be carried out at least once a year.	One month
<b>6. Veterinary and infrastructure facilities:</b>			
6	10.6(1)	Construction of Veterinary Hospital should be taken up as per approved layout of the zoo.	One year
7	10.6(6)	Zoo should have linkages with the IVRI, Bareilly, the CCMB and College of Veterinary Science, Guwahati for assistance in scientific diagnosis of serious nature and advice on effective remedial treatment, training and preventive care.	One year
<b>9. Acquisition and breeding of animals:</b>			
8	10.9(4)	Effort should be made to bring a pair of Tigers as the Tigress housed in the zoo is very old. Also, efforts should be made to pair singly housed Capped Langur.	One year
<b>12. Visitors' facilities:</b>			
9	10.12(3)	Most of the enclosures do not have permanent pucca pathways. While constructing permanent pathways, it should be made <u>divyang</u> friendly as well.	One year

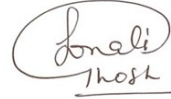

5. A compliance report to the Central Zoo Authority on implementation of the aforesaid conditions shall be submitted by the zoo within three months of issue of this letter followed by half-yearly report.

6. The renewal of recognition of the Nagaland Zoological Park, Rangapahar for period beyond August 19, 2022 as a Medium Zoo would be considered on the basis of compliance of the conditions stated above and general performance of the zoo.

7. The recognition of the Nagaland Zoological Park, Rangapahar shall be revoked by the Central Zoo Authority at any point of time if the Zoo Operator is found not complying with the stipulated conditions.

This issues with approval of the competent authority.  
Encls. As above

Yours sincerely

The Director  
Nagaland Zoological Park,  
Dimapur (Nagaland).

**Sub:- Renewal of recognition to Nagaland Zoological Park, Dimapur beyond the period of 30.09.2012 under Section 38H of the Wild Life (Protection) Act, 1972.**

Sir,

Reference is invited to your application received in this office on 23.07.2012 seeking renewal of recognition to Nagaland Zoological Park, Dimapur beyond the period of 30.09.2012 under Section 38H of the Wild Life (Protection) Act, 1972.

The evaluation of the Nagaland Zoological Park, Dimapur was carried out by Dr. Jikom Panor and Sh. R. C. Bhattacharjee on 23.03.2013. The evaluation report of Nagaland Zoological Park, Dimapur as submitted by the evaluating officers was considered by the Technical Committee in its 66<sup>th</sup> Meeting held on 11<sup>th</sup> June, 2013.

On the recommendations of the Technical Committee, the Central Zoo Authority has decided to extend the recognition to Nagaland Zoological Park, Dimapur as "a Mini Category Zoo" under Section 38H of the Wild Life (Protection) Act, for a period up to 31<sup>st</sup> July, 2015 subject to the compliance of the following directives under the Recognition of Zoo Rules, 2009 and mid-term evaluation of the zoo:-

S. No.	Norm No.	Condition Stipulated	Time Period to Comply
<b>1. General requirements</b>			
1.	1 (5 & 6)	Alternative route for zoo staff colony towards Dhansiri tower side be constructed. Proper separating wall between staff colony and the zoo be constructed	Within one year
<b>3. Development and Planning</b>			
2.	3 (7)	Separate rescue and rehabilitation centre for Himalayan black bear may be created separately in the non display area and only two pairs may be keep for display. Effort may be made for exchange/ donate the excess animals to other zoos.	Within three months

...2/-

4. Animal housing, display of animals and animal enclosures		
3.	4 (6)	Proper sand bed be provided for egg laying inside the Tortoise enclosure in a corner away from visitors side. Immediate
4.	4 (10)	Proper signage for all the enclosures. Immediate
5. Upkeep and healthcare of animals		
5.	5 (3)	Washing facility for fresh rations to be made in front of the newly constructed feed store. Immediate
9. Acquisition and breeding of animals		
6.	9 (4)	The Nagaland Zoological Park, Rangapahar being the participating zoo for conservation breeding of Hoolock gibbon, an effort be made to obtain a mate for the lone male Hoolock. Correspondence be made to Biological Park, Itanagar. Immediate

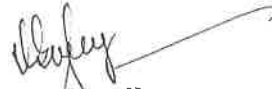

A half yearly report regarding progress made in implementation of the aforesaid conditions should be submitted to the Central Zoo Authority.

Grant of recognition to Nagaland Zoological Park, Dimapur beyond 31<sup>st</sup> July, 2015 as "a Mini Category Zoo" would be considered on the basis of compliance of the conditions stated above and general performance of the zoo.

The recognition to the Nagaland Zoological Park, Dimapur shall be revoked by the Central Zoo Authority, at any point of time if the Zoo Operator is found not complying with the stipulated conditions.

A copy of evaluation report is also enclosed herewith for your ready reference to improve the conditions of Zoo.

Yours faithfully,

  
(M. S. Negi)  
Member Secretary

**Sub:- Renewal of Recognition to Nagaland Zoological Park, Rangapahar beyond the period of 28.02.2008 under Section 38 H of the Wild Life (Protection) Act - Regarding.**

Sir,

Reference is invited to your letter No. CWL/Bud-5/90 dated 29<sup>th</sup> April, 2009 seeking renewal of recognition for the Nagaland Zoological Park, Rangapahar beyond the period of 28.02.2008 under Section 38H of the Wild Life (Protection) Act, 1972.

The evaluation of the Nagaland Zoological Park, Rangapahar was carried out on 7<sup>th</sup> and 15<sup>th</sup> June, 2009 by Sh. B. S. Bonal and Dr. Jikom Panor. The evaluation report submitted by the evaluating officers was considered by the Technical Committee in its 51<sup>st</sup> Meeting held on 23<sup>rd</sup> July, 2009.

The Central Zoo Authority has decided to grant of recognition to Nagaland Zoological Park, Rangapahar as a Mini category Zoo under Section 38H of the Wild Life (Protection) Act, for a period up to 30<sup>th</sup> September, 2012 subject to the compliance of the following directives under the Recognition of Zoo Rules, 1992:-

S. No.	Relevant Norm No.	Conditions	Time Period
<b>General</b>			
1.	9	The zoo has the natural vegetation with ideal topography; however, plantation of endemic tree species along the peripheral wall as green belt, providing lawns, flower beds should be planned.	With immediate effect.
2.	11	Although, residential complex for the staff is separated from the main area by about 2 meters wall and there is a proposal for having a separate	One year

1

*D. C. Debbarma*  
23/9/09

		by pass road to the colony. However for the long term, efforts should be made to shift the staff colony outside the zoo area to where the director's office building is located. In the meantime the bypass road to the colony should be immediately constructed with both side fencing.	
3.	11A	Separate collection plan should be prepared with emphasis to acquire animals of the region apart from exotic animals.	Immediately
<b>Administrative and Staffing Pattern</b>			
4.	12	The zoo should have a one full time Officer-in-charge of the zoo. The said officer should be delegated adequate administrative and financial powers to purchase feed and medicine and carryout out emergency repair of animals' enclosures, as may be necessary for proper upkeep and care of the zoo animals.	Six months
5.	14	Service of a visiting Veterinary Doctor may be taken with accountability by reaching to MoU on contract basis so that he/she visits regularly rather than on call.	With immediate effect
<b>Animal Enclosures – Design, Dimensions and other Essential Features</b>			
6.	15	(i) The Sambar deers have been acquired and released in the enclosure. However the size of the enclosure being too large around two hectares, it is suggested to make temporary partition with chain link fence to facilitate visitors to view the animals. (ii) The enclosure for Serow and Hog deer is damaged by the ex-encroachers in retaliation as such it needs to be reconstructed. (iii) Adequate warning, informative signages (eg. Brush tailed porcupine with no signages many) are to be provided. (iv) The stands off barriers so far provided with are of temporary nature by bamboos, should be made proper.	Six months  Six months  Three months  Three months
7.	16	(i) More artifacts, logs, plants etc. to enrich the environment should be provided in the Bear enclosure. (ii) New enclosure as per the layout plan for Slow loris, Leopard cat, Tortoise and Porcupine which are kept in make temporary enclosures, may be expedited to construct.	Six months  One year

		(iii) Enclosure for Clouded leopard should be constructed immediately to house the two Clouded leopards which are presently housed in Leopard cat enclosure. (iv) Plantation of live hedge around the night shelter constructed near the visitors side in between the enclosure of Himalayan black bear and Clouded leopard should be taken up to hide it from visitors view.	Immediately  Immediately
8.	16A	Adequate screening to safeguard against the birds getting excited or stressed due to visibility of birds of prey house in adjacent enclosure may be provide.	Three months
9.	17	More artifacts should be provided to enrich the Himalayan black bear enclosure. The boulder masonry towards the visitors' side needs to be plastered to avoid escape of the animals.	Immediately
10.	18	(i) There is ample scope to improve and provide exercising facilities according to the biological needs. (ii) Since the work for power supply and water supply has been initiated it should be expedited and completed at the earliest.	With immediate effect Immediately
11.	19	Proper gradient has to be maintained inside the cubicle so as to facilitate proper flow of excess water and removal of excreta from the enclosures leading towards the drainage outside the enclosure.	Immediately
<b>Hygiene, Feeding and Upkeep</b>			
12.	23	(i) Disposal area for rubbish, left over food, excreta etc. inclusive of carcasses should be located away from the quarantine and hospital with easy approach road. (ii) Adequate dustbins should be provided at different places in reasonable distance.	With immediate effect  With immediate effect
13.	24	As no facilities for supply of round the clock potable water for drinking purpose in each cell/ cubicle is there in all the enclosure. The construction of deep bore well which is being constructed should be expedited and connect to all the enclosure/ cubicle.	Six months
14.	25	A schedule for periodic application of disinfectants must immediately be prepared and followed.	Immediately

<b>Animal Care, Health and Treatment</b>			
15.	26	Only three staff has undergone basic training on animal upkeep. To provide exposure to the managers and staffs, they should be sent to different zoos for exposure and training.	One year
16.	28	Schedule for routine check for parasite and de-worming should be prepared and adhered to.	Immediately
17.	29	Zoo should immediately arrange for medical check ups of the staff responsible for animal upkeep at least once in six months.	With immediate effect
18.	30	Animal history sheet and treatment cards in respect of each endangered animals should be initiated immediately.	With immediate effect
<b>Visitors facilities</b>			
19.	31	(i) The veterinary hospital which is already completed it should be utilized by entrusting some forester to maintain the office and keep records as per the advice of the visiting doctor. (ii) The ramp of the veterinary hospital should be constructed at the entrance gate to facilitate easy passage for transportation of sick animals inside operation theatre. (iii) Action should be taken to furnish the hospital with basic equipments, tranquilizing equipments, wide range of medicines and facilities for storage of medicines. (iv) Quarantine ward should be constructed.	With immediate effect  Three months  With immediate effect  Three months
20.	32	Provision for squeeze cage for restraining and handling of animals should be constructed.	Six months
21.	35	The carcasses are disposed off by burning or by deep burial. It should be located away from the quarantine and hospital with easy approach road.	Six months
<b>Breeding of animals</b>			
22.	39	Since the zoo is a coordinating zoo for conservation breeding of Capped langur efforts should be made to get founder individuals to maintain proper sex ratio in consultation with the recognize zoos.	Six months
<b>Maintenance of records and submission of inventory to the Central Zoo Authority</b>			
23.	42	Zoo must initiate immediately of keeping a record of the birth, acquisitions, disposals and deaths of all animals and submit inventory of the animals	With immediate effect

24.	44	housed in the zoo as on 31 <sup>st</sup> March of every year to the Central Zoo Authority. The zoo operator should expedite to submit its first annual report of activities of the zoo to the Central Zoo Authority.	Immediately
<b>Education and Research</b>			
25.	45	The zoo should provide adequate signages both in enclosures (scientific information) and warning signage immediately.	Six months
<b>Visitors Facilities</b>			
26.	48	(i) To zoo should provide adequate civic facilities like toilets visitor sheds, and drinking water points at convenient places in the zoo for visitors must be given consideration while executing. (ii) Layout for parking area, provision for eco shop should be considered. (iii) The present entry and exit gate needs to be adequately widened.	Six months Three months Six months
27.	50	Arrangements to provide access to disabled visitors including those in the wheel chair be made while laying out the visitors path.	With immediate effect
28.	49	First-aid equipments including antivenom are not available in the park	Three months
<b>Development &amp; Planning</b>			
29.	51	The Zoo should prepare a long-term Master plan for its development in the format as circulated by the Central Zoo Authority. The copies of the said plan should be submitted to the Central Zoo Authority for its approval.	Revised plan to be prepared and submitted to this office at the earliest keeping in view of the observations communicated by this office.

#### Other recommendations

1. The remaining animals of Kohima zoo especially the Hoolock gibbon should be shifted to Nagaland Zoological Park, Rangapahar, Dimapur immediately.

A half yearly report regarding progress made in implementation of the aforesaid conditions should be submitted to the Central Zoo Authority.

Grant of recognition to Nagaland Zoological Park, Rangapahar as a mini category zoo beyond 30<sup>th</sup> September, 2012 would be considered on the basis of compliance of the conditions stated above and general performance of the zoo.

The recognition to the Nagaland Zoological Park, Rangapahar shall be revoked by the Central Zoo Authority, at any point in time if the Zoo Operator is found not complying with the stipulated conditions.

**Yours faithfully,**
